SDG-10

SUSTAINABLE DEVELOPMENT GOALS

10 REDUCED INEQUALITIES

Teerthanker Mahaveer University (TMU) is committed to reducing inequalities by promoting equitable access to quality higher education for students from diverse socio-economic and cultural backgrounds. The University provides scholarships, fee concessions, and special admission initiatives to support students from disadvantaged and marginalized sections, ensuring that financial constraints do not hinder access to higher education.

TMU also undertakes community outreach initiatives aimed at empowering underprivileged communities through vocational training, skill development, awareness programmes, and other capacity-building activities. By fostering an inclusive and supportive academic environment, the University encourages students from diverse backgrounds to participate, progress, and achieve their academic and personal potential.

Through these initiatives, TMU advances the principles of SDG 10: Reduced Inequalities, contributing to greater social inclusion, equal opportunities, and the reduction of disparities within the educational and wider community

10.2.1 Proportion of First-Generation Students (2025)

Teerthanker Mahaveer University (TMU), Moradabad, demonstrates its commitment to Sustainable Development Goal 10 (SDG 10): Reduced Inequalities by promoting inclusive access to higher education for students from diverse socioeconomic and educational backgrounds. The University strives to create an equitable academic environment in which family educational background, financial circumstances, or social barriers do not hinder students from pursuing their educational aspirations.

During the reported period, TMU recorded a total student strength of 13,852, including 4,416 students beginning their degree programmes. Of these, 2,268 were first-generation learners, representing students who are the first in their families to access higher education. These figures highlight the University's role in expanding educational participation and creating opportunities for individuals whose families may have limited prior exposure to higher education.

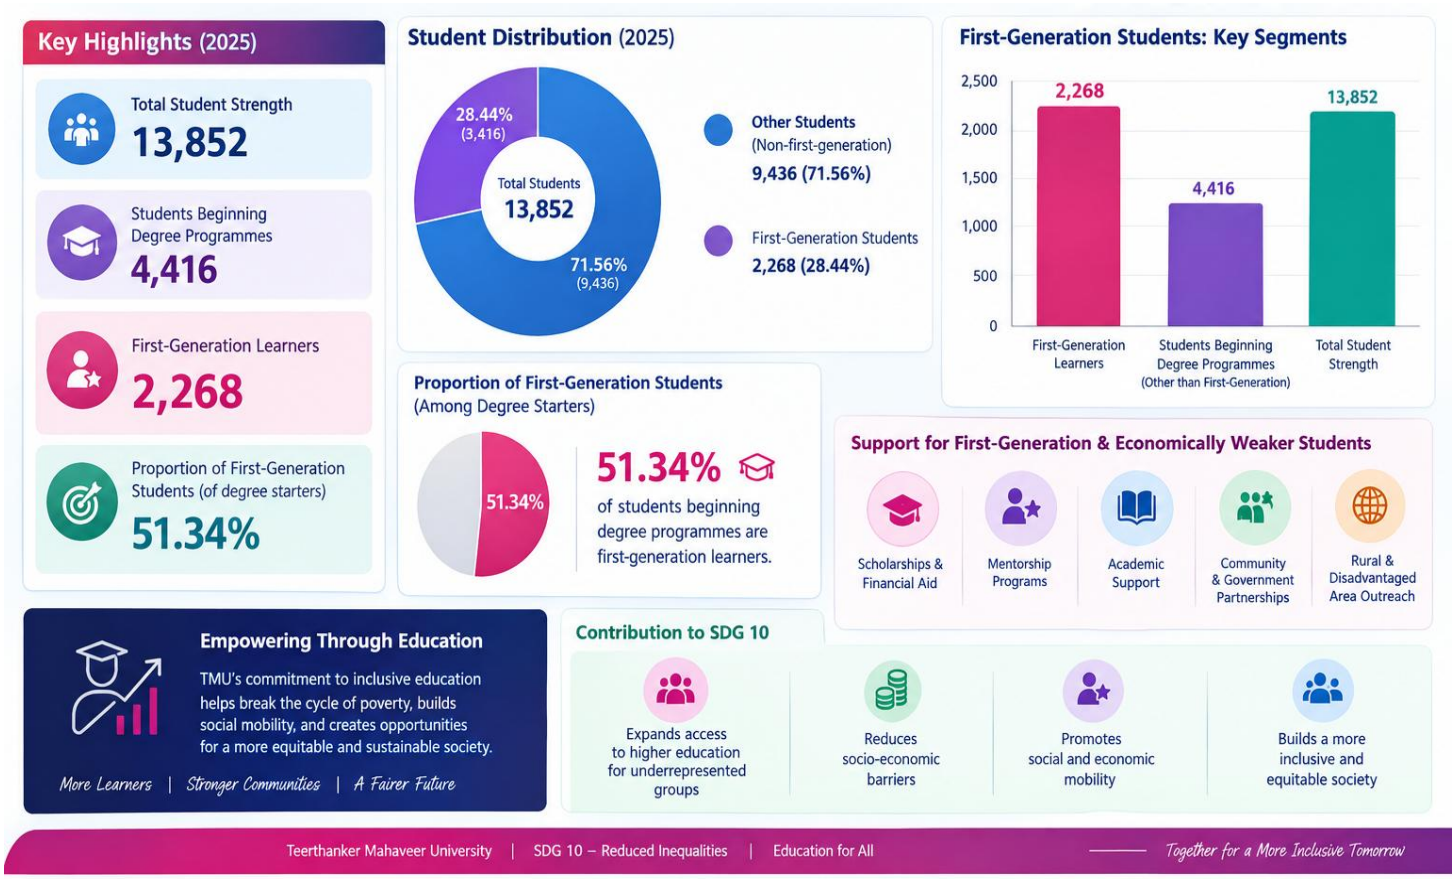

TMU's commitment to supporting first-generation learners is reflected in its broader emphasis on accessible education, student welfare, and inclusive academic development. Through scholarships, financial assistance, mentorship, and academic support mechanisms, the University seeks to address potential barriers that may affect students' entry into higher education and their ability to progress successfully through their programmes. Such support can help learners build confidence, strengthen academic capabilities, and access opportunities for personal and professional development.

The University also emphasises inclusive admission practices and student-support initiatives that encourage participation among learners from diverse communities, including those from rural and economically disadvantaged backgrounds. Outreach and awareness activities can further help prospective students understand available educational opportunities and the support mechanisms designed to facilitate their participation.

By recognising and supporting first-generation learners, Teerthanker Mahaveer University contributes to widening access to higher education and strengthening opportunities for social and economic mobility. The participation of these learners reflects the importance of inclusive educational institutions

in reducing intergenerational barriers and enabling individuals to pursue meaningful academic and professional pathways.

Through its continued focus on educational accessibility, student welfare, and equitable participation, TMU reinforces its commitment to SDG 10, advancing the broader objective of reducing inequalities and building a more inclusive society in which individuals from diverse backgrounds have opportunities to learn, progress, and contribute to sustainable development.

TMU's Commitment to Inclusive Education and First-Generation Student Empowerment

10.6.1 Non- Discriminatory Admissions Policy (2025)

Teerthanker Mahaveer University (TMU), Moradabad, demonstrates its commitment to Sustainable Development Goal 10 (SDG 10): Reduced Inequalities by promoting equitable access to higher education through transparent and inclusive admission practices. The University's admission regulations, excluding medical and dental programmes, are designed to provide fair opportunities to eligible candidates from diverse social, economic, and educational backgrounds. These provisions reflect TMU's commitment to reducing barriers to education and fostering an inclusive academic environment.

The University's admission framework incorporates applicable statutory and regulatory requirements, including provisions for Scheduled Castes, Scheduled Tribes, and other eligible reserved categories in accordance with relevant government regulations. The Admission Committee oversees the implementation of prescribed eligibility criteria and selection procedures, supporting fairness, consistency, and transparency throughout the admission process.

TMU's admission regulations establish a structured approach to assessing applicants based on the prescribed academic qualifications and applicable admission requirements. The framework supports access for eligible candidates from different educational backgrounds, including those seeking admission after an academic gap, subject to the University's regulations and the submission of the required documentation. Provisions relating to migration and re-admission further support eligible students in continuing or resuming their educational journeys.

Recognising that financial considerations can influence access to and continuation of higher education, TMU also maintains defined procedures for fee refunds and withdrawals. These procedures provide clarity regarding the applicable conditions and processes, helping students make informed decisions about their educational commitments. Such administrative measures contribute to greater transparency and help address potential difficulties associated with changes in admission or enrolment status.

The University's admission practices are guided by applicable University Grants Commission (UGC) regulations and other relevant statutory requirements. Through its structured admission procedures, provisions for eligible reserved categories, and transparent administrative processes, TMU seeks to strengthen fairness and inclusivity in higher education.

By promoting equal access and reducing procedural barriers to academic participation, Teerthanker Mahaveer University contributes to the broader objectives of SDG 10, supporting a more inclusive educational system in which eligible students from diverse backgrounds have opportunities to pursue higher education and advance their academic aspirations.

Merit-Based & Need-Based Admissions

Admission Policy

10.6.2 Access to University Track Underrepresented Groups Applications (2025)

Teerthanker Mahaveer University (TMU), Moradabad, reinforces its commitment to Sustainable Development Goal 10 (SDG 10): Reduced Inequalities by promoting inclusive access to higher education and strengthening institutional efforts to identify and address disparities in student participation. In 2025, the University established a structured framework for monitoring applications and admissions among underrepresented and potentially underrepresented groups, supporting evidence-based approaches to equity and inclusion.

The monitoring framework encompasses diverse student groups, including ethnic minorities, students from low-income backgrounds, non-traditional learners, women, LGBTQ+ students, persons with disabilities, and newly settled refugees. Through the systematic collection and review of relevant applicant and admission data, the University seeks to understand participation patterns, identify potential barriers, and inform measures that promote equitable access to educational opportunities.

The Admission Cell, in coordination with the Directorate of Student Welfare and other relevant institutional units, supports the collection and analysis of demographic and socioeconomic information through appropriate data-management procedures. Confidentiality and responsible handling of personal information are essential considerations in this process. The resulting information can help inform institutional planning, outreach activities, and support initiatives aimed at improving access for students from diverse backgrounds.

TMU also promotes inclusive participation through student counselling, financial assistance initiatives, scholarship opportunities, and mentorship support, subject to applicable eligibility criteria and institutional provisions. These measures aim to address potential academic, social, and financial barriers that may affect students' entry into higher education and their participation in university life.

Through structured monitoring, data-informed planning, and student support initiatives, Teerthanker Mahaveer University seeks to strengthen transparency and inclusivity in its admission practices. This approach reflects the University's commitment to reducing inequalities, widening access to higher education, and advancing the objectives of SDG 10 by creating opportunities for learners from diverse social and economic backgrounds.

10.6.4 Anti- Discrimination Policy (2025)

Teerthanker Mahaveer University (TMU), Moradabad, is committed to promoting Sustainable Development Goal 10 (SDG 10): Reduced Inequalities through its Anti-Discrimination and Equal Opportunity Policy (Policy No. 29). The policy establishes an institutional framework for promoting fairness, preventing discriminatory practices, and ensuring equal opportunities for individuals across the University community. It reflects TMU's commitment to dignity, respect, inclusion, and equitable participation in academic and institutional activities.

Promoting Equal Treatment and Non-Discrimination: TMU's policy emphasises the importance of fair treatment and equal opportunities, irrespective of an individual's background or personal characteristics. By establishing principles against discrimination, the University seeks to foster an environment in which students, faculty, and staff can participate in institutional activities without unfair treatment. These principles support a culture of mutual respect and help address barriers that may restrict access to educational and professional opportunities.

Ensuring Equitable Access and Participation: Equal opportunity is essential to creating an inclusive educational environment. TMU's policy framework supports fair access to institutional resources, services, and opportunities, encouraging participation across its diverse academic and professional community. By emphasising non-discriminatory practices, the University seeks to ensure that individuals can pursue their academic and professional aspirations in an environment that respects their dignity and individual rights.

Institutional Accountability and Grievance Redressal: The policy provides a formal basis for addressing discrimination-related concerns and promoting accountability in institutional practices. Appropriate reporting and grievance-redressal mechanisms are important for enabling individuals to raise concerns and seek resolution through established procedures. These mechanisms support transparency, strengthen institutional responsibility, and contribute to maintaining a respectful and supportive campus environment.

Building an Inclusive Institutional Culture: TMU's commitment to equal opportunity extends beyond formal policy provisions to the broader objective of fostering an inclusive institutional culture. Awareness, sensitisation, and responsible administrative practices can help strengthen understanding of equality and respect for diversity among members of the University community. Such efforts contribute to reducing social barriers and encouraging meaningful participation in academic, professional, and campus life.

Contribution to SDG 10: Through its Anti-Discrimination and Equal Opportunity Policy, Teerthanker Mahaveer University reinforces the principles of equality, inclusion, and non-discriminatory access to opportunities. The policy supports the broader objectives of SDG 10 by addressing institutional barriers, promoting fair treatment, and encouraging the participation of individuals from diverse backgrounds. By embedding these principles within its institutional framework, TMU strengthens its commitment to a more equitable, inclusive, and socially responsible university environment.

TMU Celebrates International Women's Day with Enthusiasm

Women-Empowerment

Awareness and Capacity-Building Session for Students at TMU

Teerthanker Mahaveer University's Department of Physiotherapy marked International Women's Day with a vibrant celebration on 8th March 2025 at LT-603. The event, led by Prof. Shivanee M. Kaul (HOD, Department of Physiotherapy, TMU), aimed to honour the achievements of women throughout history and in the present.

A Grand Beginning with a Traditional Ceremony

The event commenced at 2:00 PM with a traditional lamp-lighting ceremony, led by Ms. Shipra Gangwar (Senior Faculty, Assistant Professor, Department of Physiotherapy, TMU). This was followed by an insightful discussion on the significance of women in society, setting the stage for an engaging session ahead.

Speech Competition: Celebrating Inspiring Women

One of the key highlights of the event was a speech competition based on the theme "Inspiring Women: History & Present." Students passionately spoke about remarkable women such as:

- Avani Lekhara – India's first woman Paralympian to win gold.
- Dr. Ritu Karidhal Srivastava – Senior scientist at ISRO, instrumental in space missions.

- Ramkripa Ananthan – Renowned automobile designer.
- Rashmi Sinha – Entrepreneur and co-founder of SlideShare.

After an impressive display of oratory skills, the winners were declared:

1. Bhoomika Bhardwaj (BPT 3rd Year) – 1st Place
2. Anika Singh (BPT 3rd Year) – 2nd Place
3. Akriti (MPT 4th Semester) – 3rd Place

A Mesmerising Dance Performance

Adding an artistic touch to the event, Aishwerya Jain and Gourisha Mathur (BPT 3rd Year) enthralled the audience with a soulful dance performance, leaving a lasting impact on attendees.

Quiz Competition: A Battle of Wits

The quiz competition that followed saw a tough contest between:

- Team A (BPT 4th Year)
- Team B (BPT 3rd Year)

After four rounds of intense quizzing, Team B emerged victorious with a narrow 2-point lead, showcasing their knowledge of remarkable women's contributions.

A Well-Coordinated and Impactful Event

The event was successfully organised and coordinated by Ms. Neelam Chauhan (Assistant Professor, Department of Physiotherapy, TMU). Faculty members Ms. Himani, Ms. Shipra Gangwar, Ms. Priya Sharma, and Mr. Nand Kishore Sah graced the event with their presence. The program was elegantly anchored by Fabeha Naqvi (BPT 4th Year).

A Heartfelt Conclusion

The event concluded with Prof. Shivanee M. Kaul and other faculty members appreciating the participants for their stellar performances. They reinforced the importance of women's empowerment and their significant contributions to shaping society. The celebration not only inspired students but also served as a reminder of the power and potential of women across all fields.

TMU's Department of Physiotherapy once again proved its dedication to fostering knowledge, empowerment, and appreciation for women's achievements.

Inaugural Lamp-Lighting Ceremony

Interactive Awareness Session on Women's Empowerment and Gender Equality at TMU

International Women's Day Celebration at TMU

Teerthanker Mahaveer University (TMU), Moradabad, celebrated International Women's Day with an engaging programme highlighting women's empowerment, gender equality, and the significant contributions of women to society. The event featured interactive discussions and student participation, providing a platform to acknowledge women's achievements and promote awareness about equal opportunities, dignity, and respect. This initiative reflects TMU's commitment to fostering an inclusive and supportive environment and advancing Sustainable Development Goal 5 (SDG 5): Gender Equality.

‘Sheetal Dhoop’ Ignites a New Spark of Women's Empowerment at TMU

Women-Empowerment

Panel Discussion and Literary Event on Women’s Empowerment

Teerthanker Mahaveer University (TMU) recently witnessed a remarkable literary evening that brought literature, governance, and society onto a shared platform. The event featured acclaimed Indian Foreign Service (IFS) officer and renowned author Mrs. Anju Ranjan, who delivered a compelling reading from her acclaimed short story collection, ‘Sheetal Dhoop’.

Held at TMU's auditorium, the event was more than just a gathering—it became a vibrant forum for sensitive reflections and progressive narratives on women's empowerment. Through her evocative storytelling, Mrs. Ranjan shed light on the struggles, resilience, and triumphs of women in contemporary society.

Esteemed Dignitaries Grace the Occasion

The programme was presided over by TMU Chancellor Shri Suresh Jain. Chief Guests included:

- Shri Ranjan Kumar, Principal Secretary, Department of AYUSH & Food Safety, Uttar Pradesh
- Shri Anjaney Kumar Singh, Divisional Commissioner, Moradabad

Special Guest:

- Shri Divyanshu Patel, Municipal Commissioner

The evening was expertly anchored by Dr. Madhav Sharma, who guided the event with poetic finesse and clarity.

Literature as a Catalyst for Social Change

During the session, Mrs. Ranjan's stories touched upon the emotional depths, inner strength, and societal challenges faced by women. Her narratives sent a clear message on the need for transformation and awakened a collective consciousness.

In his address, Commissioner Shri Anjaney Kumar Singh highlighted the importance of India's cultural heritage and encouraged the youth to read legends such as Munshi Premchand, Shrilal Shukla, and Dharamvir Bharati.

Principal Secretary Shri Ranjan Kumar lauded the literary works of Anju Ranjan for their emotive portrayal of female resilience and empowerment, calling them an inspiration for society and a medium for positive change.

Future Literary Initiatives at TMU

Chancellor Shri Suresh Jain appreciated the author's creative efforts and invited her to lead a two-day literary workshop at TMU shortly. He also extended his gratitude to the State Bank of India (SBI), the co-organiser of the event, and acknowledged the presence of all distinguished guests.

TMU Vice Chancellor Prof. V.K. Jain highlighted the university's contributions in Indian knowledge systems, yoga, AYUSH, and ongoing research in traditional sciences.

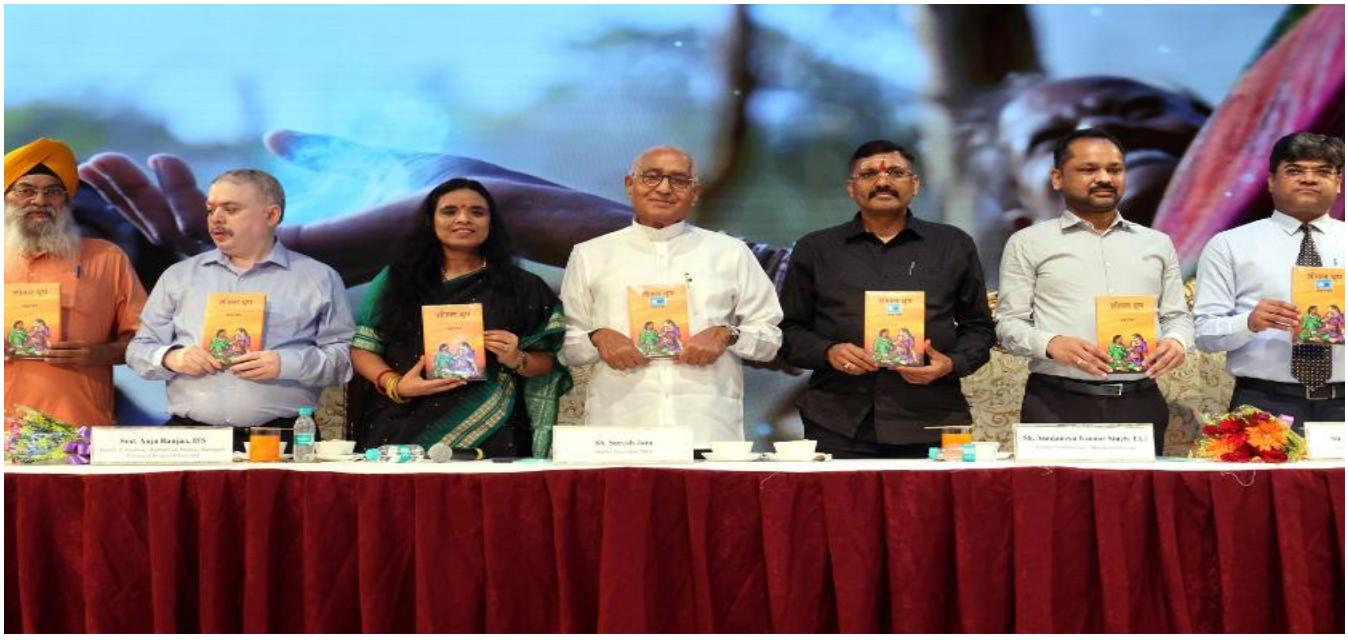

SBI and Community Participation Strengthen the Event

The event was supported by SBI, with active involvement from:

- Santosh Kumar, Regional Manager
- Amit Kumar, Chief Manager
- Navneet Kumar Gaur, Chief Administrator
- Varun Yadav,
- Chandita Das,
- Samiksha Singh,
- Dr. Ratnesh Jain, NSS Coordinator
- Prof. M.P. Singh, Dean of Student Welfare
- Social worker Sardar Gurvinder Singh,
- Mr. Deepak Malik, along with TMU faculty, students, literature enthusiasts, and members of the local community.

Conclusion

The programme concluded on a deeply spiritual and inspiring note. Through the powerful expressions in 'Sheetal Dhoop', a new wave of awareness and empowerment was set in motion at TMU, leaving an indelible impact on all who attended.

Book Launch Ceremony at "Bolti Kahaniyan (Empowering Women)"

Inaugural Lamp-Lighting Ceremony at TMU

Ceremony During "Bolti Kahaniyan – Empowering Women"

TMU Conducts Breastfeeding Awareness Campaign Empowering Women with Health Education

Women-Empowerment

Community Healthcare Outreach at TMU Hospital

Teerthanker Mahaveer Medical College & Research Centre (TMU) successfully organised a week-long awareness campaign to mark *World Breastfeeding Week* under the global theme "Prioritise Breastfeeding: Create Sustainable Support Systems." The initiative, spearheaded by the Department of Community Medicine, began with an awareness program in Bagadpur village and concluded in Hasanpur village, focusing on educating pregnant and postpartum women about the importance of breastfeeding, correct techniques, and associated health benefits.

Community Outreach and Educational Sessions

Through audio-visual demonstrations and interactive counselling sessions, common myths around breastfeeding were addressed. The Paediatrics Department also held multiple activities

throughout the week, engaging mothers, students, and the public in an informative and participatory manner.

Special awareness sessions were conducted for breastfeeding mothers and caregivers, led by faculty members, who discussed the nutritional and immunity-boosting benefits of reastfeeding, correct feeding positions, and strategies to overcome common challenges. Participants found the guidance highly beneficial.

Student Engagement and Creative Awareness Tools

A poster-making competition for medical students highlighted the benefits of breastfeeding and busted prevalent myths through creative visual content. The posters were displayed in the maternal and child wards, reaching patients and visitors, while the best entries were awarded.

Simultaneously, MD Community Medicine students and MBBS interns visited households to conduct health talks, ensuring direct interaction and spreading awareness at the grassroots level.

Leadership Support and Closing Ceremony

The closing ceremony saw the presence of Principal Prof. V.K. Singh, Vice Principal Prof. M. Maitreja, and Dean Prof. S.K. Jain, all of whom emphasised the role of breastfeeding in promoting maternal and child health. The event was organised under the guidance of Dr. Sadhana Singh (Head, Community Medicine Department), with on-ground coordination by Dr. Lalpa Reddy and program leadership from Dr. Rupa Singh (Head, Paediatrics) and Dr. Aditi Rawat (Program Coordinator).

This initiative reinforced TMU's commitment to community health education by empowering women in both rural and urban areas with the knowledge and confidence to adopt optimal breastfeeding practices.

TMU Hosts “Shakti Samanvay – Harmony of Power” Cultural Celebration

- Women-Empowerment
- https://youtu.be/E21nOjo_ngk?si=aFpU

Shakti Samanvay – Harmony of Power” Celebration at TMU

The Department of Medical Laboratory Techniques, College of Paramedical Sciences, Teerthanker Mahaveer University (TMU), organised a grand and spiritual cultural programme titled “Shakti Samanvay – Harmony of Power.”

The event highlighted the divinity and strength of women through creative, devotional, and artistic performances by students. A total of 65 female students and 138 male students from DMLT, B.Sc. MLT, M.Sc. MLT and research scholars participated actively. The presence of faculty members, students, and distinguished guests added grace to the occasion.

Highlights of the Event

- The programme commenced with a traditional welcome dance, setting an atmosphere of joy and reverence.
- A powerful performance titled “9 Divine Forms of Goddess Durga” artistically portrayed the courage, compassion, wisdom, and strength of the Goddess in her nine manifestations.
- Devotional songs and bhajans elevated the spiritual mood of the audience, connecting them deeply with the essence of divinity.
- A thematic stage play presented values of truth, justice, and humility, leaving a profound impact on spectators.
- The Ramleela performance brought alive the ideals and life lessons of Lord Rama, moving the audience emotionally.
- The celebration concluded with a vibrant Dandiya dance, where students and faculty members enthusiastically joined in, creating a memorable atmosphere of unity, joy, and cultural pride.

Guests of Honour

The event was graced by Prof. (Dr.) Seema Awasthi, Head of Pathology, as the Chief Guest, and Prof. Sushil Kumar Singh, Principal of the College of Law and Legal Studies & Chief Proctor of TMU, as the Guest of Honour.

They praised the students’ creativity and applauded the efforts of the organising committee. Prof. (Dr.) Navneet Kumar (Principal, College of Paramedical Sciences), Prof. (Dr.) Ruchi Kant and other faculty members were also present, motivating the participants.

Group Photograph of the event

Organizing Committee and Vote of Thanks

The event was coordinated successfully by Dr Shivsharan Singh, Dr Varsha Rajput, Mr Shivam Agarwal, Mr Baijnath Das, Ms Sakshi Bisht, Mr Saurabh Singh, and Mr Yogesh Kumar.

The programme concluded with a heartfelt vote of thanks by Prof. (Dr.) Ruchi Kant, expressing gratitude to guests, participants, and organisers.

Conclusion

“Shakti Samanvay – Harmony of Power” was not just a cultural celebration but a tribute to the beauty, resilience, and creativity of women. It symbolised a perfect blend of tradition, devotion, and modern expression, while emphasising the timeless significance of women’s power in society and passing it on to the younger generation.

TMU Celebrates Mission Shakti 5.0 with "Harmony of Nav Durga's Divine Power"

- Women-Empowerment

Event Poster

The Department of Physiotherapy at Teerthanker Mahaveer University (TMU) organised a cultural programme titled "Harmony of Nav Durga's Divine Power" as part of the four-day Women Empowerment – Awareness and Leadership Campaign under Mission Shakti 5.0.

A total of 250 BPT and MPT students attended the event, with 131 girls and 191 boys attending. The programme aimed to connect the divine strength, resilience, and virtues of the nine forms of Goddess Durga with the modern spirit of women's empowerment.

Objectives of the Programme

- To inspire students with values of courage, compassion, and resilience through cultural expression.

- To emphasise gender equality and highlight women's contributions in building a progressive society.

Event Highlights

The second day of Mission Shakti 5.0 commenced with a Durga Maa Puja led by Prof. Shivanee M. Kaul, Head of the Department of Physiotherapy, along with faculty members. The puja invoked blessings and set a spiritual tone for the day.

The cultural performances that followed vividly showcased the nine divine forms of Goddess Durga, symbolising strength, wisdom, courage, and compassion. Garba dance sequences and thematic stage presentations creatively connected these qualities with the empowerment of women in contemporary society.

Students depicted how the enduring virtues of Goddess Durga continue to inspire women to overcome challenges and lead with determination across diverse fields. The event beautifully blended cultural heritage with modern messages of gender equality, encouraging participants to embody the spirit of Nav Durga in their daily lives.

Conclusion

Organised under the Uttar Pradesh Government's flagship initiative Mission Shakti 5.0, the celebration not only paid homage to India's rich cultural traditions but also reinforced the importance of recognising and supporting women's power in shaping a just and progressive society.

The programme concluded with a motivational address by Prof. Shivanee M. Kaul, who extended warm wishes and urged students to embrace the divine spirit within every woman to build a more equitable and empowered future.

Awareness Program on Women's Safety and Empowerment – "Call for Help"

- Women-Empowerment

Awareness Program conducted with the NSS UNIT

Moradabad, October 4, 2025 — The Department of Physiotherapy at Teerthanker Mahaveer University (TMU), in collaboration with the NSS unit and Uttar Pradesh Police, organised an impactful awareness program titled *"Call for Help"* under Mission Shakti 5.0. The initiative aimed to create awareness about women's safety, empowerment, and the importance of timely help.

Dignitaries and Guests

The event began with a Lamp Lighting Ceremony, symbolising positivity and knowledge. The session was graced by Prof. (Dr.) Shivanee M. Kaul, HOD of Physiotherapy and Nodal Officer of Mission Shakti 5.0, welcomed the guests.

Key dignitaries in attendance included:

- CO Shri Rajesh Kumar Ji, who spoke about *digital arrests* and preventive measures.

- SHO Shri Yogesh Mavi Ji
- MST Shrimati Chand Prabha Ji (Prabhan) – provided awareness about available *helpline numbers*.
- SI Shrimati Swati Choudhary Ji
- SI Shri Sukesh Kumar Ji
- SI Shri Prashant Tyagi Ji addressed *cybercrime* and how women can seek immediate help.

Key Messages on Women's Safety

The officers emphasised the role of awareness in ensuring women's safety. They highlighted crucial helpline numbers — 1090, 112, and 181 — while also explaining ways to safeguard against *cybercrime and digital offences*.

The interactive session not only informed participants about preventive strategies but also inspired confidence among women to step forward and seek help when required.

Police officials attended an awareness programme with students and faculty members

Acknowledgement and Coordination

The program concluded with a Vote of Thanks by Prof. (Dr.) Shivanee M. Kaul appreciates the contributions of UP Police officials, faculty, and organisers.

The event was successfully coordinated by Dr Shipra Gangwar (PT), Dr Priya Sharma (PT), and Dr Himani Rathi (PT), with support from Dr Harish Sharma (PT) and Dr Ranjeet Tiwari (PT) in its execution.

Students attending the program

Spreading the Message of Mission Shakti 5.0

The program reinforced the powerful message that *"Help is just one call away."* It aligned with the vision of Mission Shakti 5.0, blending awareness, empowerment, and community responsibility in ensuring women's safety.

Dental Health for Women – Mission Shakti 5.0 at TMU

Women-Empowerment

https://youtu.be/3_fjFWa8wCQ?si=-gGRIdcUXsF4rBme

Students attending the awareness camp

Teerthanker Mahaveer Dental College & Research Centre, Teerthanker Mahaveer University (TMU), successfully organised a special awareness camp titled *"Dental Health for Women"* under Mission Shakti 5.0, in collaboration with the U.P. Police. The event, hosted at the College of Nursing, focused on empowering women with essential knowledge linking oral health to overall well-being.

The session saw active participation from 110 girl students and 10 faculty members, highlighting TMU's continued commitment to women's health, empowerment, and preventive care.

Objectives of the Camp

The primary goal of the event was to educate and empower women through awareness about oral health and its broader connection to physical and mental well-being. Key objectives included:

- Educating women about the link between oral and systemic health, particularly during *pregnancy, menstruation, menopause,* and *hormonal changes*.
- Empowering women under Mission Shakti 5.0 to take charge of their personal and family oral hygiene.
- Promoting preventive dental care, balanced nutrition, and regular dental check-ups for long-term health benefits.

The interactive session encouraged calmness during emergencies, effective communication, and proactive engagement with law enforcement and healthcare professionals.

Conclusion – "Strong Women, Strong Smile"

Concluding the session, Prof. (Dr.) Shivanee M. Kaul, Head of the Department of Physiotherapy and Nodal Officer of Mission Shakti 5.0, along with Dr Ankita Jain, Vice Principal TMDC&RC, TMU, who together inspired participants to adopt holistic health and self-care as a way of empowerment.

She stated, *"When a woman takes care of her health, she strengthens her family, her community, and the nation's future. A healthy smile is not just about teeth — it's about self-care, dignity, and empowerment.*

The key message of the program resonated throughout the event — "Strong Women, Strong Smile – Towards a Healthier Future.

Mission Shakti programme featuring dental health awareness

Students participated in the Mission Shakti programme featuring dental health awareness and practical demonstrations

TMU College of Nursing Organizes Awareness Programme on "Menstrual Hygiene for Group D Workers" under Mission Shakti 5.0

- Women-Empowerment
- https://youtu.be/u0QeCafvVzs?si=VOhsNL6uU7kz3QuB

Awareness programme on "Menstrual Hygiene for Group D

Under the Mission Shakti 5.0 initiative, the Department of Obstetrics and Gynaecological Nursing, College of Nursing, Teerthanker Mahaveer University (TMU), in collaboration with the Internal Complaints Committee (ICC), organised an awareness programme on *"Menstrual Hygiene for Group D Workers."* The session aimed to empower women by spreading awareness about menstrual health, hygiene, and self-care practices in line with the Mission Shakti theme *"Swasth Nari, Sashakt Parivar."*

Promoting Hygiene, Breaking Taboos, and Empowering Women

The programme began with a Lamp Lighting Ceremony, symbolising enlightenment and positivity. The ceremony was graced by Prof. (Dr.) S. P. Subhashini (Dean, Nursing), Prof. (Dr.) M. Jasline (Principal, College of Nursing), Prof. Ram Nivas (Vice Principal), and faculty members. Prof. Viji, HOD OBG Nursing,

extended a warm welcome to all the dignitaries and participants, setting the tone for an engaging and insightful session focused on women's health and empowerment.

The session was specially designed for female attendants, cleaners, and helpers, focusing on hygiene maintenance, myth-busting, and promoting open conversations around menstruation.

Educational Insights and Interactive Session

Prof. (Dr.) M. Jasline, Principal, College of Nursing, initiated the session by encouraging open discussions on menstruation, aiming to break social stigmas and promote dignity in women's health management. She highlighted that menstrual health should be discussed freely to foster awareness and confidence among women.

Resource Person, Ms Shivangi Gupta, explained that menstruation is a natural biological process, not a taboo. She emphasised proper hygiene, safe use and disposal of sanitary products, balanced nutrition, and hydration to prevent infections and discomfort. Her session motivated participants to prioritise self-care and seek medical advice when necessary.

The interactive dialogue encouraged participants to share experiences and queries, fostering a supportive environment aligned with Mission Shakti 5.0's goals of health, safety, and empowerment.

Key Takeaways and Conclusion

The session successfully equipped participants with essential knowledge about menstrual hygiene and reproductive well-being. It emphasised that a healthy woman contributes to a healthy family and society.

At the end of the programme, sanitary pads were distributed to all the participants, reinforcing the importance of accessibility and care. The initiative strengthened the confidence of women workers to manage menstruation with dignity, aligning with the vision of Mission Shakti — empowering women through awareness and education.

Programme was organized to appreciate and encourage participants for their active involvement

TMU Organises Series of Health Camps Under 'Swasth Nari, Sashakt Parivar Abhiyaan'

Community-Service

Impactful community health initiatives by TMU

As part of the "Swasth Nari, Sashakt Parivar Abhiyaan", the Teerthanker Mahaveer Medical College & Research Centre (TMMC&RC), Teerthanker Mahaveer University, Moradabad, organised a series of impactful community health initiatives throughout September and October 2025. The campaign aimed to raise awareness, ensure early disease detection, and promote healthy living among women, children, and community members — reaffirming TMU's commitment to preventive healthcare and holistic well-being.

1. Breast and Oral Cancer Screening Camp – Early Detection for Healthier Lives

Date: 19th September 2025

Organised by: Department of Surgery

Under the *Swasth Nari Sashakt Parivar Abhiyaan*, the Department of Surgery conducted a Breast and Oral Cancer Screening Camp focusing on early diagnosis and awareness of two of the most prevalent cancers among women and adults.

Women participants were trained in breast self-examination techniques, while oral screenings were performed to identify precancerous lesions. Participants were counselled about the ill effects of tobacco, preventive habits, and lifestyle changes.

Over 150 individuals were screened during the camp, which concluded with positive community feedback and plans for regular follow-up camps, reflecting the department's dedication to early intervention and community service.

2. Anaemia Screening Drive – Combating Iron Deficiency Among Children

Date: 23rd September 2025

Organised by: Department of Paediatrics

Initiatives: *Swasth Nari Sashakt Parivar Abhiyaan* & *Anemia Mukt Bharat (AMB)*

The Department of Paediatrics conducted an Anaemia Screening Drive focusing on children and adolescent girls to identify and prevent anaemia in the community.

Each participant underwent haemoglobin testing free of cost, and those diagnosed with anaemia were provided with iron and folic acid supplements, along with dietary counselling on iron-rich nutrition.

Informative posters in Hindi – *"किशोरियों और बच्चों के लिए एनीमिया की जाँच"* – helped spread awareness among parents about anaemia prevention and nutritional health.

3. Immunisation Camp – Protecting Every Child Through Vaccination

Date: 25th September 2025

Organised by: Department of Paediatrics

Under the *Sashakt Bharat Initiative*, an Immunisation Camp was held at the Paediatrics OPD, where vaccines such as BCG, Hepatitis B, OPV, Pentavalent, Rotavirus, MR, and DPT boosters were administered.

Parents were counselled on:

- The importance of complete immunisation, and
- Recognising adverse effects following immunisation (AEFI).

The initiative contributed significantly to achieving the goal of a healthy, anaemia-free, and fully immunised generation.

4. Menstrual Hygiene Awareness Campaign – Empowering Women Through Health Education

Date: 27th September 2025

Organized by: Department of Community Medicine, TMMC&RC

Venue: R.K. School & Guretha Village

The Department of Community Medicine organised a Menstrual Hygiene Awareness Campaign at R.K. School and Guretha Village, Moradabad, under *Swasth Nari Sashakt Parivar*.

Led by Dr Sadhna Singh, Head of the Department, along with faculty members, postgraduates, and interns, the programme educated adolescent girls and women on menstrual physiology, hygiene management, nutrition, and the use and disposal of sanitary products.

A skit on menstrual myths and taboos performed by intern doctors was well-received, making the event engaging and informative. Sanitary pads were distributed to over 150 participants, encouraging hygienic practices and openness in discussing menstrual health.

The campaign significantly enhanced menstrual health awareness, empowering girls and women to manage menstruation with confidence and dignity.

5. Blood Donation Camp – Fostering Compassion and Responsibility

Date: 1st October 2025

Organised by: Blood Centre, TMMC&RC

In Collaboration With: Faculty of Engineering, TMU

As part of the "Swasth Nari, Sashakt Parivar Abhiyaan", and under the directives of the Ministry of Health & Family Welfare and the National Medical Commission (NMC), a Blood Donation Camp was held at the TMMC&RC Blood Centre.

With active participation from the Faculty of Engineering, a total of 33 units of blood were donated voluntarily by students and staff, while 118 new donors registered on the *eRaktKosh* portal for future contributions.

The event promoted awareness of the importance of voluntary blood donation and strengthened TMU's donor base for future needs.

Dr Seema Awasthi (HOD Pathology), Dr Ashutosh Kumar (In-Charge Blood Bank), and Dr Shyamoli Dutta (Blood Bank Officer) expressed heartfelt gratitude to all participants and volunteers for their enthusiastic involvement.

Conclusion

Through these community-centric initiatives under the Swasth Nari Sashakt Parivar Abhiyaan, Teerthanker Mahaveer Medical College & Research Centre has once again demonstrated its unwavering commitment to public health, women's empowerment, and preventive care.

From cancer screenings and anaemia detection to menstrual hygiene awareness and blood donation drives, these programmes embody TMU's vision of building a healthier, empowered, and self-reliant society — where wellness and awareness go hand in hand.

Doctors provided medical consultations to women and children during the health camp

TMU College of Nursing Organises Guest Lecture on Suicide Prevention Awareness

- Guest-Lecture

Guest lecture titled "Suicide Prevention – Changing the Narrative on Suicide

Teerthanker Mahaveer University (TMU), Moradabad, through the Department of Mental Health Nursing, Teerthanker Mahaveer College of Nursing (TMCON), organised a guest lecture titled "Suicide Prevention – Changing the Narrative on Suicide" on 20 November 2025. The programme was held at the Smart Classroom, Nursing Building, and marked the observance of World Suicide Prevention Day, to enhance awareness, reduce stigma, and strengthen preventive approaches among future healthcare professionals.

The academic event was conducted from 01:00 PM to 04:00 PM and witnessed enthusiastic participation from undergraduate nursing students, postgraduate students, and faculty members of the College of Nursing.

Leadership, Hosts and Dignitaries

The programme was hosted by Mrs Ekjot Kaur, Associate Professor, and Mr Allan Singh, PG Tutor, TMCON, under the guidance of Dr Suman Vashisht, Head, Department of Mental Health Nursing. The event was successfully conducted with the support and leadership of:

- Prof. (Dr.) S. P. Subashini, Dean, College of Nursing
- Prof. (Dr.) Jasline M, Principal, TMCON
- Prof. Ram Niwas, Vice Principal, TMCON

Approximately 175 participants attended the session, including 155 PBBSc Nursing students, 20 MSc Nursing students, and 10 faculty members, reflecting strong academic engagement with mental health education.

Inaugural Session and Key Messages

The programme commenced with a welcome address by Ms Kumari Jyoti, followed by a Lamp Lighting Ceremony performed by the dignitaries. Addressing the gathering, the Principal, Prof. (Dr.) Jasline M formally introduced the theme *"Changing the Narrative on Suicide"*, highlighting the urgent need to replace silence and stigma with understanding, compassion, and open dialogue.

She emphasised that suicide should not be treated as a taboo subject and stressed the importance of open conversations around mental health as a critical step toward prevention. She encouraged students to remain vigilant, empathetic, and supportive of peers who may be struggling, underscoring that small acts of kindness and attentive listening can save lives. The Principal further highlighted the role of educational institutions in creating safe and inclusive environments where students feel confident seeking help without fear of judgment.

The Vice Principal, Prof. Ram Niwas, also addressed the students, motivating them to actively engage in mental health advocacy and to serve as ambassadors of hope within their communities.

Expert Lecture on Suicide Prevention

The guest speaker, Dr Prerana Gupta, MD (Psychiatry), TMU Hospital, was formally introduced by Ms Arti Choudhary and felicitated by Prof. (Dr.) S. P. Subashini, Dean of Nursing. Dr Subashini, in her address, highlighted the critical role of nursing professionals in suicide prevention, noting that nurses are often the first point of contact and play a vital role in early identification of warning signs, patient education, timely referral, and stigma reduction.

During the scientific session, Dr Prerana Gupta presented a comprehensive and evidence-based overview of suicide prevention, citing World Health Organisation (WHO) 2021 data. She stated that globally, approximately 727,000 people died by suicide in 2021, amounting to one death every 40 seconds, making suicide a leading cause of death among adolescents and young adults. In India alone, over 1.64 lakh suicides were reported in the same year, with students, homemakers, and working-age adults identified as particularly vulnerable groups.

Dr Gupta defined suicide as an intentional act of self-harm influenced by a complex interaction of biological, psychological, social, and environmental factors. She discussed key risk factors, including depression, previous suicide attempts, trauma, substance use, academic pressure, chronic illness, family conflict, social isolation, and limited access to mental health care.

Prevention Strategies and Interactive Session

Focusing on prevention, Dr Gupta emphasised the importance of early recognition of warning signs, empathetic communication, crisis intervention, mental health literacy, and strengthening community-based support systems. She also highlighted that mental health challenges are universal and can affect individuals across all social and professional backgrounds.

The lecture was followed by an interactive question-and-answer session, during which students actively sought guidance on suicide risk assessment, counselling approaches, and effective intervention strategies relevant to clinical and community settings.

Conclusion and Outcomes

The programme concluded with closing remarks and a Vote of Thanks by Ms Sayma Bhatnagar, acknowledging the contributions of the speaker, dignitaries, organisers, faculty members, and students.

Overall, the guest lecture significantly enhanced students' understanding of suicide prevention, reinforced evidence-based practices, and strengthened their preparedness to support individuals in crisis within their future professional roles. The event reaffirmed Teerthanker Mahaveer University's commitment to mental health education, awareness, and socially responsible healthcare training, aligned with global public health priorities.

A sapling was presented to the guest speaker as a token of appreciation

TMU Medical College Conducts Meditation Session to Promote Mental Peace and Wellness

- CME-Workshop

Meditation session at TMU Medical College

Teerthanker Mahaveer University (TMU) recently organised a special meditation session at its Medical College, with the primary aim of promoting mental wellness, stress management, and positivity among students, faculty, and staff members. The initiative witnessed enthusiastic participation from medical students and representatives from various departments.

Exploring Inner Peace Through Meditation

The session commenced in a serene and focused environment, guided by trained meditation experts. Participants were introduced to a variety of mindfulness techniques, including deep breathing exercises (pranayama), self-reflection practices, and structured meditation routines. These methods enabled attendees to experience a sense of mental stillness, emotional stability, and renewed energy.

Experts elaborated on the scientifically proven benefits of regular meditation, which include:

- Reduced stress and anxiety
- Improved memory and concentration
- Enhanced emotional regulation

For medical students coping with intense academic pressure and internships, the session provided a much-needed break and an opportunity for introspection and mental rejuvenation. One student commented, *"Our academic journey demands a lot from us, and sessions like these mentally strengthen us to perform better."*

A Step Towards Holistic Development

Faculty members also appreciated the initiative, highlighting how such activities contribute significantly not just to academic excellence but also to the overall personality and emotional well-being of students. The university's medical department officials announced plans to regularise such sessions, aiming to foster a more mindful, balanced, and resilient student community.

This programme is closely aligned with the university's core philosophy of "Healthy Students, Successful Students", emphasising the importance of mental equilibrium alongside academic success. Organisers confirmed that more such initiatives are planned for the future, with a vision to empower the younger generation with mental clarity, strength, and emotional intelligence.

The session served as a strong reminder that academic success alone is not sufficient—mental well-being is equally crucial, and meditation stands as a powerful tool in achieving that balance.

TMU Organises Awareness Programme on Mission Shakti Centres and Women Helplines

- Nari-Shakti

Awareness Programme on Mission Shakti Centres and Helplines under the Mission Shakti 5.0

Moradabad, November 6, 2025:

The College of Agricultural Sciences, Teerthanker Mahaveer University (TMU), organised an Awareness Programme on Mission Shakti Centres and Helplines under the Mission Shakti 5.0 initiative of the Government of Uttar Pradesh. The event, conducted in collaboration with the Police Staff of Thana Pakbara, aimed to sensitise students on women's safety, legal rights, and access to government helplines that ensure immediate support and protection.

About Mission Shakti 5.0

Mission Shakti, launched by the Government of Uttar Pradesh, is a visionary campaign dedicated to empowering women through safety, security, and self-reliance. Under this initiative, TMU's College of Agricultural Sciences strives to promote awareness about government welfare

schemes, legal rights, and emergency support systems while fostering a culture of respect and equality.

Objectives of the Programme

The programme focused on key objectives, including:

- Raising awareness about women helpline numbers such as 181 and 1090, providing 24x7 toll-free support for women in distress.
- Educating students on the importance of health and hygiene as part of holistic empowerment.
- Encouraging students to become socially responsible and active participants in promoting women's safety and equality.

Programme Activities

Held at Lecture Theatre 1, the awareness session drew an enthusiastic participation of 135 students—including 50 girls and 85 boys. The invited speakers from Thana Pakbara Police Station, namely Mr Sukesh Singh (SI), Mrs Kiran, Mrs Pratibha Karki, and Mr Vikrant, delivered insightful sessions on the structure and purpose of Mission Shakti Centres and the role of Women Helplines.

Mrs Kiran explained how these centres provide immediate counselling, legal aid, and protection to women in distress, serving as vital pillars of the Mission Shakti framework. The students were informed about key helplines, including:

- 1090 – Women Power Line: For harassment, stalking, and cyber abuse.
- 181 – Women Helpline: For counselling, protection, and shelter.
- 108 – Health Emergency Helpline: For medical emergencies.
- 112 – Integrated Emergency Number: For police, fire, and ambulance services.

Pamphlets containing helpline information were distributed to attendees, and a self-defence awareness video was screened to enhance understanding of personal safety measures. The

speakers stressed the importance of utilising these helplines to ensure that every woman lives without fear and with access to timely assistance.

Acknowledgement and Support

The session was successfully organised under the guidance of Prof. (Dr.) Praveen Kumar Jain, *Chairperson & Dean*, and Dr Shakuli Saxena, *Event Organiser*. TMU extended heartfelt gratitude to the Police Staff of Thana Pakbara for their cooperation and valuable insights. The dedicated faculty and non-teaching staff of the college supported the smooth execution of the event.

Conclusion

The awareness session deepened students' understanding of various government services available for women, fostering sensitivity toward social issues such as domestic violence, dowry, and workplace harassment. The programme also emphasised the role of education, health awareness, and self-defence training in building a safer and more equitable society.

Through this initiative, Teerthanker Mahaveer University reaffirmed its commitment to the objectives of Mission Shakti 5.0—empowering women through education, awareness, and social responsibility.

Special Lecture on National Unity Day: Learning from the Life and Ideals of Sardar Vallabhbhai Patel

Teerthanker Mahaveer University (TMU), Moradabad, through its College of Law and Legal Studies, organised a special lecture to commemorate National Unity Day, celebrating the birth anniversary of Sardar Vallabhbhai Patel. The programme aimed to sensitise students towards the values of national integration, equality, unity, mutual respect and social responsibility.

The lecture was delivered by Mr. Yogesh Kumar, who highlighted the life, contributions and inspiring ideals of Sardar Vallabhbhai Patel. Emphasising the importance of placing duty above personal interests, he encouraged students to develop a strong sense of discipline, commitment, integrity and dedication towards society and the nation.

The speaker further emphasised that true leadership is reflected in the ability to remain committed to one's responsibilities, uphold ethical values and contribute positively to society, even in challenging circumstances. The session encouraged students to recognise the importance of equality, social harmony, mutual understanding and respect for differences in building an inclusive nation.

U**nity March and Run for Unity: Promoting Social Harmony**

As part of the National Unity Day celebrations on 31 October 2026, TMU's National Service Scheme (NSS) organised a Unity March and Run for Unity on the university campus. Students from various colleges participated enthusiastically, demonstrating solidarity and reinforcing the values of national integration, brotherhood and collective responsibility. The initiative encouraged young people from diverse academic and social backgrounds to come together and celebrate India's strength in diversity.

Contribution Towards SDG 10 – Reduced Inequalities

These initiatives reflect Teerthanker Mahaveer University's commitment to fostering an inclusive, equitable and harmonious educational environment. By engaging students in awareness programmes and collective activities, the University promotes respect for diversity, equal participation, social cohesion and a sense of belonging among individuals from different backgrounds.

The programmes also encourage students to challenge social divisions, develop inclusive attitudes and recognise their responsibility towards creating a society where everyone is treated with dignity and respect. Through such educational and community-oriented initiatives, TMU contributes to the broader objectives of United Nations Sustainable Development Goal 10 (Reduced Inequalities) by promoting social inclusion and strengthening the values of equality, unity and mutual respect.

REPORT

Date: 31/10/2026

To,

Prof. (Dr.) Ashu Mittal, Principal

Prof. (Dr.) Mayur Porwal, Vice Principal

Teerthanker Mahaveer College of Pharmacy, TMU, Moradabad From: Mr. Vaibhav Rathore, NSS Coordinator, TMCOP

Subject: Report on "Run for Unity" organised on the occasion of National Unity Day, 31 October 2026

Respected Sir,

With reference to the circular issued by the NSS Unit, TMU (Ref. No. TMU/DSW/NSS/2026-27/008), I submit the following report on the "Run for Unity", organised to commemorate the 151st Birth Anniversary of Sardar Vallabhbhai Patel and National Unity Day. Students and volunteers of the college took part in the programme.

Programme Run for Unity (Unity March)

Date and time Saturday, 31 October 2026, 03:00 pm

Venue and route Clock Tower, TMU → Administrative Block → Jinalaya → Medical College → Clock Tower

Organised by NSS Unit, Teerthanker Mahaveer University, Moradabad (Unnat Bharat Abhiyan)

Participation from TMCOP 25 students and 01 faculty members

Proceedings: The run began at the Clock Tower at 3:00 pm and followed the scheduled route. Participants carried the national flag and a banner reading "Unity March – Run for Unity", and the programme encouraged unity and national integration among students. Faculty members and NSS volunteers joined the students.

Outcome: The programme was conducted smoothly and helped spread the message of unity among students. I thank the Principal sir, Vice Principal sir and NSS university coordinator for their support and encouragement.

Participants with the "Run for Unity" banner, TMU, 31 October 2026

International Women's Day Celebration at TMU

Women-Empowerment

International Women's Day Celebration at TMU

“International Women's Day is a global celebration dedicated to honoring the achievements and contributions of women throughout history and across the world. This year, Teerthanker Mahaveer University, one of the best universities in India, took a remarkable step to commemorate this day with a special event aimed at empowering and educating village women. The event was organized by the College of Computing Sciences and Information Technology (CCSIT).”

Objectives and Goals

The primary objective of this event was to celebrate International Women's Day by organizing an awareness and counseling session for village women. The initiative aimed to empower women by providing them with valuable information and motivation, thereby fostering a sense of self-worth and independence.

Visit to Purv Madhyamik Vidhyalay Rasulpur Hamir

A team comprising Prof. Ashendra Kr. Saxena, Vice Principal of CCSIT, along with female faculty members and students of B.Sc (Hons.) CS and B.Sc Animation, visited Purv Madhyamik Vidhyalay Rasulpur Hamir in Kundarki. This visit was aimed at engaging with the local community and spreading the message of women's empowerment.

Engagement Activities

The students of B.Sc. Animation performed a captivating "Nukkad Natak" (street play) that highlighted various social issues related to women's rights and empowerment. Additionally, the students of B.Sc. (Hons.) CS performed a skit on the theme "Beti Bachao Beti Padhao" (Save the Daughter, Educate the daughter), which delivered a powerful message to the village girls about the importance of education and self-reliance.

Visit to Purv Madhyamik Vidhyalay Lalwara

Following the activities at Rasulpur Hamir, the CCSIT team visited Purv Madhyamik Vidhyalay Lalwara. Here, the head of the school, Mrs. Zunaida, and teacher Mrs. Nidhi Saxena, delivered speeches on women's empowerment. The CCSIT faculty members shared their own success stories and provided inspirational messages to motivate the students.

Quiz Session

Dr. Neeraj Kumari conducted an interactive quiz session with the students, asking questions related to women's rights and empowerment. This activity not only engaged the students but also provided them with valuable knowledge. Small gifts were given as rewards to encourage participation and make the session enjoyable.

End Result

The International Women's Day celebration at Teerthanker Mahaveer University was a resounding success. It not only highlighted the importance of women's empowerment but also actively engaged

with the community to inspire and educate. The event showcased the collective efforts of the CCSIT faculty and students in promoting gender equality and empowering women.

Students attended an awareness session aimed at promoting education, safety, and empowerment

10.6.5 University Diversity Officer (2025)

Equity, Diversity and Inclusion Policy: Advancing SDG 10 – Reduced Inequalities

1. Institutional Commitment to Equity, Diversity and Inclusion

Teerthanker Mahaveer University (TMU), Moradabad, recognises equity, diversity, and inclusion as integral components of its institutional values and ethical responsibilities. Through its Equity, Diversity and Inclusion (EDI) Policy, the University establishes a comprehensive framework to promote equal opportunities, strengthen a sense of belonging, prevent discrimination, and respect the diverse identities and backgrounds of its community members. This commitment aligns with Sustainable Development Goal 10 (SDG 10): Reduced Inequalities, particularly its emphasis on promoting social inclusion and ensuring equal opportunities for all.

The policy provides a structured approach to integrating equity and inclusion into the University's academic, administrative, and operational functions. Its purpose extends beyond preventing unequal treatment to creating an environment in which individuals are valued, respected, and encouraged to participate fully in university life. By recognising diversity as a strength that enriches academic learning and social development, TMU seeks to foster a campus culture founded on dignity, fairness, mutual respect, and shared responsibility.

The EDI Policy applies across the University's colleges, departments, and administrative units and encompasses students, faculty members, staff, contractors, consultants, visitors, institutional partners, and collaborators. This broad scope reflects TMU's intention to embed inclusive principles throughout its institutional ecosystem rather than restrict them to a single department or category of stakeholders.

2. Promoting Equal Opportunities and Preventing Discrimination

A central objective of TMU's EDI Policy is to ensure equitable access to education, employment, participation, and professional advancement. The policy emphasises fair treatment and the removal of barriers that may disadvantage individuals or groups because of their personal circumstances or backgrounds.

The University recognises diversity across several dimensions, including gender and gender identity, age, disability, socioeconomic background, religion and belief, ethnicity, and culture. By acknowledging these differences within its institutional framework, TMU establishes a foundation for addressing varied needs and promoting equal participation across its academic and professional communities.

The policy also emphasises the elimination of discrimination, harassment, and victimisation. It promotes a campus environment in which prejudice is rejected and individuals are treated with dignity and respect. These principles are particularly relevant to SDG 10, as reducing inequalities requires both fair access to opportunities and the removal of institutional and social barriers that may restrict participation.

Through its commitment to equity of opportunity, TMU seeks to ensure that individuals from diverse backgrounds can access educational and professional opportunities fairly. The policy provides an institutional basis for encouraging inclusive practices across academic activities, administrative functions, recruitment, and other areas of university operations.

3. Accessibility, Representation and Inclusive Learning

TMU's EDI Policy identifies accessibility and representation as essential elements of an inclusive institution. It calls for the removal of physical, digital, communication, and procedural barriers that may affect persons with disabilities and other individuals experiencing disadvantage. This approach recognises that equality of opportunity requires appropriate consideration of the barriers that individuals may encounter when accessing educational facilities, information, services, and institutional processes.

Within the academic environment, the policy promotes the development of curricula that reflect diverse perspectives. It also emphasises accessible physical and digital infrastructure and support services for underrepresented and disadvantaged groups. These provisions establish a framework for creating learning environments in which students with different backgrounds and needs can participate more effectively.

Representation is another guiding principle of the policy. TMU seeks to encourage balanced participation in student enrolment, staffing, and leadership. Promoting representation helps ensure that diversity is recognised across different levels of institutional life and that opportunities for participation and advancement remain inclusive. The policy further emphasises inclusion and belonging, seeking to create conditions in which individuals feel valued, heard, and empowered to participate confidently. This principle supports a university environment where diversity is respected and where differences in background, identity, and experience are recognised as part of a shared academic community.

4. Institutional Governance, Awareness and Accountability

The EDI Policy establishes an implementation framework that assigns responsibilities for advancing equity and inclusion across the University. The governing body and executive leadership are responsible for providing institutional direction, ensuring appropriate resources, and reviewing progress. The Vice Chancellor provides strategic leadership for implementation, accountability, and the annual review of EDI performance indicators.

A designated Equity, Diversity and Inclusion Committee is identified as the institutional mechanism for overseeing policy implementation. The policy also calls for integrating EDI metrics into institutional performance indicators, enabling progress towards equity and inclusion objectives to be reviewed systematically.

Training and capacity building constitute another important component of the framework. The policy provides for EDI awareness and sensitivity training for staff, leadership training on inclusive practices and unconscious bias, and student orientation programmes that promote respect for diversity. These measures are intended to strengthen awareness of inclusive behaviour and support the development of a respectful and equitable institutional culture. Accountability and evidence-based improvement are further guiding principles. The policy emphasises the use of data, feedback, periodic reviews, and corrective action to strengthen institutional performance over time. This approach provides a basis for identifying areas requiring improvement and refining institutional practices in response to emerging needs.

5. Contribution to SDG 10: Reduced Inequalities

TMU's Equity, Diversity and Inclusion Policy provides an institutional framework for addressing inequality through fair access, accessibility, representation, non-discrimination, and accountable governance. Its provisions support the broader objectives of SDG 10 by emphasising equal opportunities, inclusion, and the removal of barriers that may disadvantage individuals or groups.

The policy's emphasis on accessible learning environments and support for underrepresented and disadvantaged groups is particularly relevant to reducing inequalities in higher education. Its focus on inclusive recruitment, professional development, and career progression also extends equity principles to the University's workforce. Meanwhile, awareness programmes, leadership accountability, and performance reviews establish mechanisms through which inclusion objectives can be incorporated into institutional planning and evaluation.

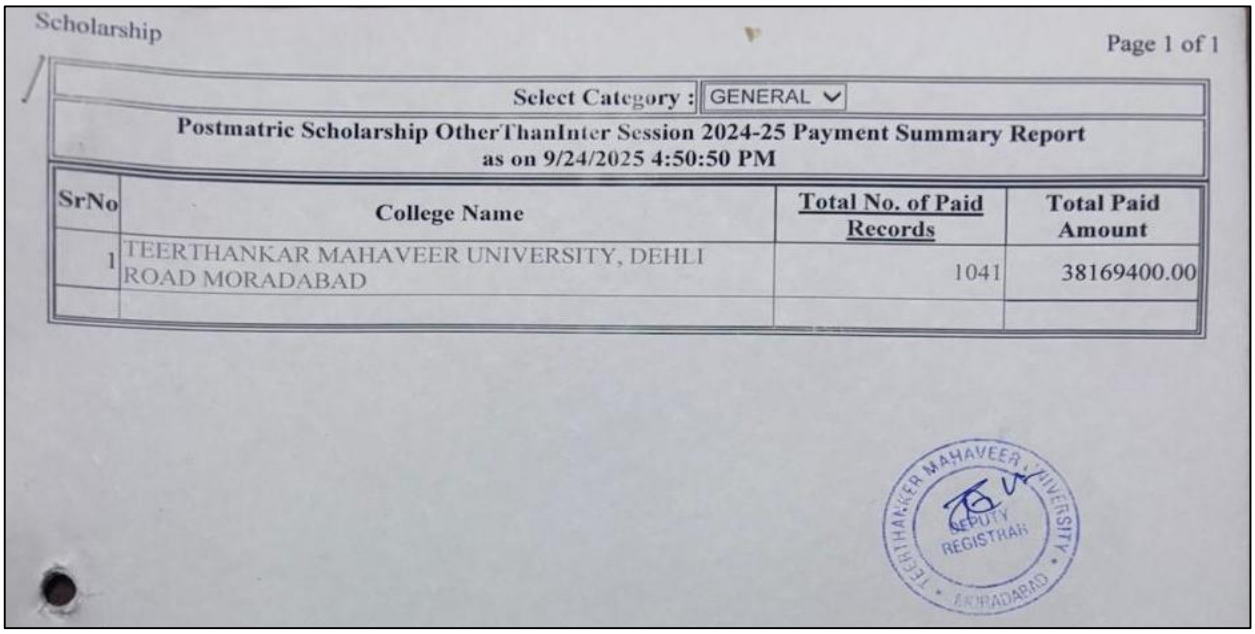

By integrating equity, diversity, and inclusion into its institutional framework, Teerthanker Mahaveer University reinforces its commitment to a respectful, accessible, and inclusive academic community. The EDI Policy serves as a foundation for advancing equal opportunities, strengthening institutional accountability, and promoting the meaningful participation of individuals from diverse backgrounds.

Through this policy-led approach, TMU contributes to the vision of SDG 10: Reduced Inequalities by striving to create an educational and professional environment in which diversity is respected, barriers to participation are addressed, and every individual is afforded the opportunity to learn, contribute, and progress with dignity**.**

10.6.7 Accessible Facilities, 10.6.8 Disability Support Services, 10.6.9 Disability Access Scheme

TMU Facilities for Persons with Disabilities (PWD)

Accessible Infrastructure and Support Services

Teerthanker Mahaveer University (TMU), Moradabad, is committed to fostering an inclusive and accessible campus environment for Persons with Disabilities (PWD). Through accessible infrastructure, mobility assistance, digital accessibility, and dedicated support services, the University seeks to facilitate equitable participation in academic, administrative, residential, and extracurricular activities.

1. Accessibility Features

TMU provides several infrastructure facilities to improve campus accessibility and support the independent movement of persons with disabilities.

- **Lifts:** Lifts are installed across major academic, administrative, and hostel blocks. The University's published facilities information includes more than 33 lift locations across various campus facilities, including hospital wings, colleges, residential apartments, and administrative buildings.
- **Ramps**: Ramps are available at key locations, including hospital buildings, academic blocks, research centres, hostels, and sports facilities, to support convenient movement across the campus.
- **Signage and Wayfinding:** Signage boards are displayed across the campus to help individuals identify facilities and navigate university premises more easily.

2. Accessible Facilities and Mobility Assistance

To address mobility and accessibility requirements, TMU provides dedicated facilities and assistance for persons with disabilities.

- **Accessible Restrooms:** Dedicated restrooms and accessible washroom facilities are available across campus blocks to support comfort, dignity, and convenience.

- **Wheelchair Assistance:** Wheelchairs are available on request. The University also provides an electronically operated wheelchair facility, with assistance coordinated through the designated facility office near the campus entrance.
- **Accessible Campus Movement:** The combination of lifts, ramps, signage, and mobility assistance helps reduce physical barriers and supports greater access to university facilities.

3. Digital Accessibility

TMU also emphasises accessibility in the digital environment. Its website and campus portal incorporate assistive technology features intended to make online information and services more accessible to persons with disabilities. These initiatives align with the broader objectives of the Sugamya Bharat Abhiyan (Accessible India Campaign), which promotes accessibility in the built environment, transportation, and information and communication technology.

4. Academic and Personal Support Services

In addition to physical and digital infrastructure, TMU provides support intended to facilitate the academic participation and well-being of students with disabilities. These services include disability-related assistance, academic advising, counselling, and tutoring, helping students access guidance and support according to their educational and personal needs.

5. Commitment to Inclusive Education

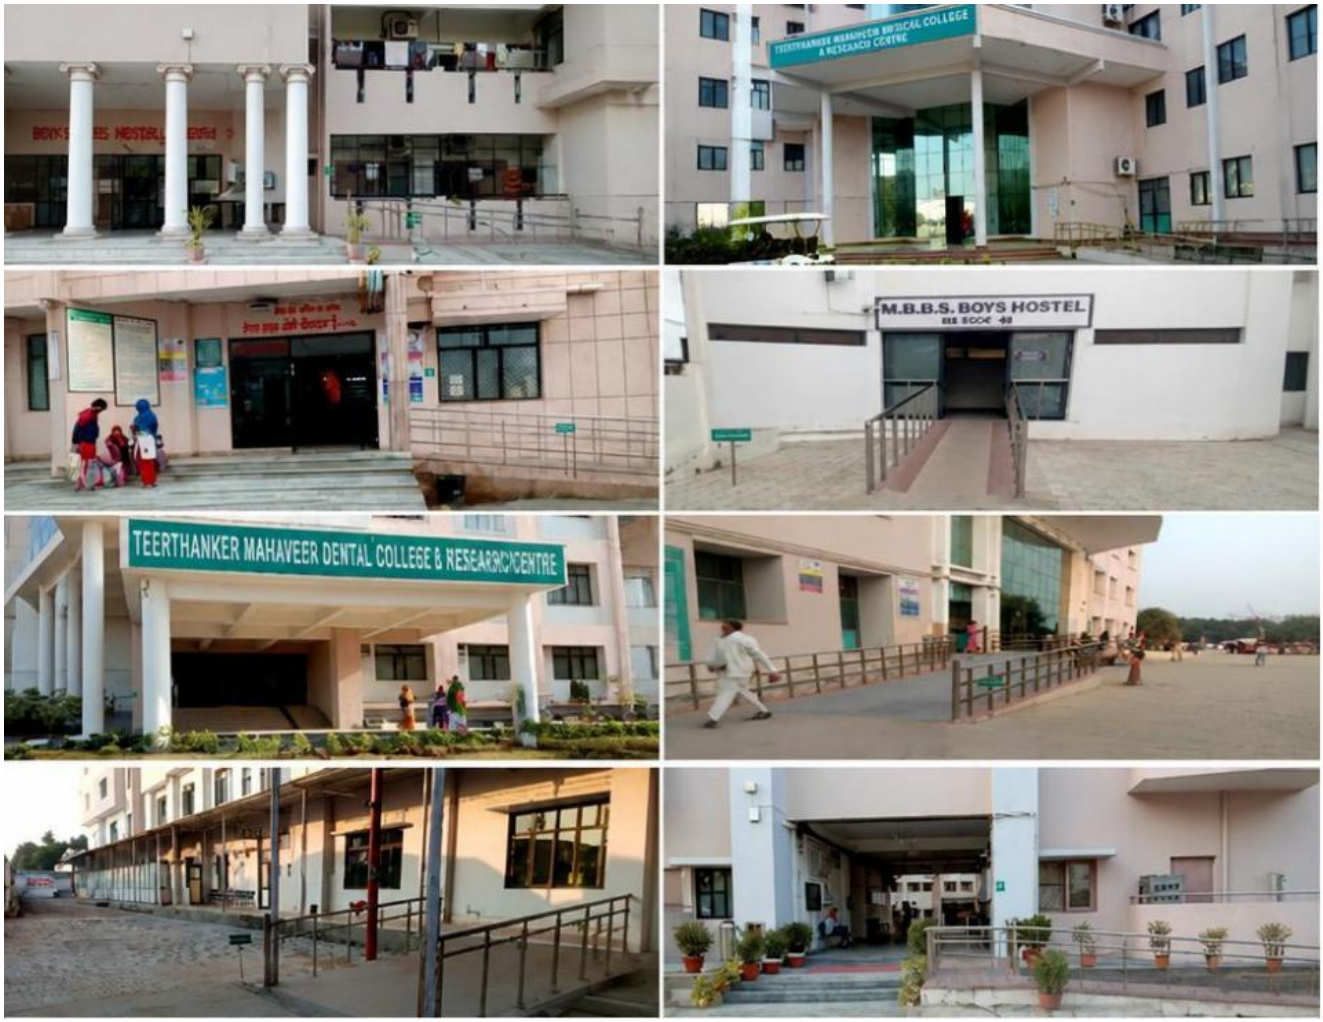

Through its accessibility infrastructure, mobility support, digital facilities, and academic assistance, Teerthanker Mahaveer University seeks to create a more inclusive learning environment in which persons with disabilities can participate with greater independence and dignity. These initiatives reflect the University's commitment to equitable access to education and campus services and contribute to the objectives of Sustainable Development Goal 10 (Reduced Inequalities) and Sustainable Development Goal 4 (Quality Education).

Data Source: TMU – PWD Facilities

Lift Facilities at TMU Moradabad

Teerthanker Mahaveer University (TMU), Moradabad, provides lift facilities across major academic, administrative, and hostel buildings to ensure convenient movement and improved accessibility. These facilities support Persons with Disabilities (PwD) and individuals with mobility limitations, promoting an inclusive campus environment and contributing to Sustainable Development Goal 10 (Reduced Inequalities).

Ramp Facilities at TMU Moradabad

Teerthanker Mahaveer University (TMU), Moradabad, provides ramp facilities and barrier-free access routes across key academic, residential, healthcare, and research buildings to facilitate convenient movement for all, particularly Persons with Disabilities (PwD). Along with accessible washrooms, lifts, directional signage, and assistive technologies, these provisions help minimise physical barriers and promote an inclusive campus environment, reflecting TMU's commitment to universal accessibility, equal opportunities, and Sustainable Development Goal 10 (Reduced Inequalities).

Help Desk for Persons with Disabilities (PWD) at TMU Moradabad

Teerthanker Mahaveer University (TMU), Moradabad, is committed to fostering an inclusive and accessible campus environment for all. To facilitate the needs of Persons with Disabilities (PWD), the University has established a dedicated help desk at the reception area, equipped with clearly visible signage for easy identification. This initiative ensures that differently abled individuals receive timely assistance, appropriate guidance, and necessary support, promoting equitable access to University services and reinforcing TMU's commitment to inclusion, accessibility, and equal opportunities, in alignment with Sustainable Development Goal 10 (Reduced Inequalities).

Signage Facilities at TMU Moradabad

Teerthanker Mahaveer University (TMU), Moradabad, has established a campus-wide signage system to support convenient navigation and improve accessibility for students, faculty members, staff, and visitors. Strategically placed signboards provide clear directional guidance to academic blocks, administrative offices, and essential campus facilities, helping individuals locate important destinations with greater ease.

These signage facilities contribute to an organised, accessible, and user-friendly campus environment by simplifying wayfinding and facilitating access to academic and support services. The initiative reflects TMU's commitment to inclusive infrastructure, improved campus navigation, and a welcoming environment for the entire university community.

TMU Moradabad: PWD Assistance Services

Teerthanker Mahaveer University (TMU), Moradabad, facilitates accessibility through designated assistance points located at key campus entryways and other strategic areas. These points are intended to provide timely mobility assistance to visitors and other individuals with disabilities, helping them navigate the campus with greater ease and convenience.

Through these assistance services, TMU reinforces its commitment to fostering an inclusive, accessible, and supportive campus environment. The initiative reflects the University's emphasis on equitable access, dignity, and participation for students, staff, visitors, and other members of the university community, in alignment with the broader principles of universal accessibility and inclusive education.

PWD Washrooms and Assistance Facilities at TMU Moradabad

Teerthanker Mahaveer University (TMU), Moradabad, promotes an inclusive and accessible campus environment through the provision of accessible washrooms and designated assistance facilities for Persons with Disabilities (PWD). These facilities are intended to address the accessibility and mobility needs of individuals across the University campus. Accessible washrooms are designed to support ease of movement, safety, comfort, and personal independence. Features such as spacious layouts, support handrails, and conveniently positioned fixtures can help individuals with mobility limitations use sanitation facilities with greater ease and dignity. In addition, designated assistance points facilitate access to mobility aids and support when required, helping students, staff, and visitors navigate campus facilities more conveniently. Together, these provisions reflect TMU's emphasis on accessibility, personal dignity, and equitable participation in campus life. Through its focus on accessible sanitation and assistance services, TMU seeks to minimise physical barriers and strengthen an inclusive

environment for the university community. These initiatives align with the principles of universal accessibility and contribute to Sustainable Development Goal 10 (Reduced Inequalities) by supporting equitable access to campus facilities and educational opportunities.

E-Rickshaw and Golf Cart Facility at TMU Moradabad

Teerthanker Mahaveer University (TMU), Moradabad, provides electric rickshaws and golf carts to facilitate convenient and sustainable transportation across its expansive campus. These electric vehicles support the mobility needs of students, faculty members, staff, and visitors, enabling easier movement between major academic blocks and key university locations. By offering an environmentally friendly campus transport facility, TMU seeks to improve accessibility, enhance commuting convenience, and reduce dependence on conventional fuel-powered vehicles for internal travel. The availability of electric mobility options reflects the University's commitment to promoting sustainable transportation, reducing the environmental impact of campus operations, and fostering an inclusive and accessible campus environment.

10.6.10 Disability Accommodation Policy (2025)

Teerthanker Mahaveer University (TMU), Moradabad, is committed to advancing Sustainable Development Goal 10 (SDG 10): Reduced Inequalities by promoting accessibility, inclusion, and equal opportunities for persons with disabilities. Through its Policy for Differently Abled Persons, the University establishes an institutional framework for supporting individuals with disabilities and facilitating their participation in academic, administrative, and campus activities. The policy reflects TMU's commitment to fostering an inclusive environment in which individuals can access educational resources and institutional facilities with dignity and independence.

Accessible Campus Infrastructure: TMU promotes physical accessibility through facilities designed to facilitate movement and participation across the campus. The University provides ramps and lifts in academic, administrative, and hostel buildings, helping persons with disabilities access classrooms, offices, and other essential facilities. Dedicated accessible washrooms are available in campus blocks, and wheelchairs can be provided upon request. These provisions help reduce physical barriers and support more equitable access to university services.

Accessible Information and Assistance: The University supports accessibility through signage, display boards, signposts, and assistive facilities that help individuals navigate the campus. An enquiry and information facility at the campus entrance assists persons with disabilities in obtaining guidance, while an electrically operated wheelchair is available on request. TMU also identifies the accessibility of its website and digital resources as part of its efforts to facilitate access to information and institutional services.

Promoting Equal Participation: By addressing physical and informational barriers, TMU seeks to create an environment in which persons with disabilities can participate more effectively in educational and institutional activities. Accessible infrastructure and support facilities contribute to greater independence, help reduce barriers to participation, and reinforce the principle that

disability should not prevent individuals from accessing learning opportunities and campus resources.

Contribution to SDG 10: The University's approach to disability inclusion supports the broader objectives of SDG 10 by promoting social inclusion and reducing inequalities in access to education and institutional facilities. Through its disability-related policy framework and accessibility initiatives, Teerthanker Mahaveer University demonstrates its commitment to a more inclusive campus where persons with disabilities are supported in accessing opportunities and participating with dignity and respect.

By continuing to strengthen accessibility and inclusive institutional practices, TMU contributes to the development of a campus environment that values diversity, supports individual needs, and promotes equitable participation for all members of its community.

S.No.	Policy Name	Link of the Policy

10.6.11 Anti- Harassment Policy (2025)

Teerthanker Mahaveer University (TMU), Moradabad, is committed to advancing Sustainable Development Goal 10 (SDG 10): Reduced Inequalities by fostering a safe, respectful, and inclusive educational environment for all students. The University's Anti-Ragging Policy establishes a framework for preventing ragging, protecting student dignity, and promoting equal participation in academic and campus life. By adopting a zero-tolerance approach towards ragging, TMU seeks to ensure that no student is subjected to intimidation, humiliation, harassment, or coercive behaviour during their educational journey.

The policy reflects the University's commitment to creating a campus environment where students from diverse social, cultural, economic, and educational backgrounds can pursue their studies without fear of discrimination or victimisation. Ragging can create barriers to academic participation, affect students' sense of belonging, and disproportionately disadvantage newcomers and those who may be more vulnerable to social exclusion. Preventing such practices is therefore an important step towards promoting equal dignity, respect, and opportunity within higher education.

To support the implementation of its anti-ragging framework, TMU has established institutional mechanisms, including an Anti-Ragging Committee and an Anti-Ragging Squad, to address concerns and strengthen prevention efforts. The University also provides reporting channels and campus safety measures to help students raise complaints and seek assistance. These mechanisms support institutional accountability and reinforce the principle that every student deserves equal protection and respectful treatment.

Awareness and sensitisation form an important part of TMU's efforts to prevent ragging and promote inclusive behaviour. Through anti-ragging awareness programmes, workshops, and student sensitisation activities, the University communicates the harmful consequences of ragging, explains applicable rules and legal provisions, and encourages students to respect one another. TMU's National Anti-Ragging Awareness Week activities in 2025 further reinforced the importance of

maintaining a ragging-free campus, reporting incidents, and building a culture of friendship, mutual respect, and responsibility.

The University's grievance-reporting and support mechanisms provide avenues for students to communicate concerns and seek appropriate institutional intervention. By encouraging reporting and addressing complaints through established procedures, TMU seeks to strengthen trust, protect students from harmful conduct, and maintain a conducive learning environment. These efforts are particularly relevant to reducing inequalities because a safe campus enables students to participate more confidently in educational, social, and co-curricular opportunities.

Through its Anti-Ragging Policy and associated institutional initiatives, Teerthanker Mahaveer University reinforces its commitment to student welfare, equal dignity, and inclusive education. By preventing practices that can marginalise or intimidate students, TMU supports the broader objectives of SDG 10, promoting social inclusion, reducing barriers to participation, and helping ensure that every learner can pursue higher education in a safe and respectful environment.

Summary of the Report – SDG 10: Reduced Inequalities

The SDG-10 (Reduced Inequalities) Annual Report-2025 highlights TMU 's commitment to promoting social inclusion, equal opportunities, and equitable access to higher education for individuals from diverse socio-economic, cultural, and educational backgrounds. The report showcases the University's initiatives to reduce educational and social disparities through inclusive admission practices, financial assistance, institutional policies, student support mechanisms, and community outreach programmes.

The report highlights TMU's efforts to ensure that financial circumstances, social background, disability, or other barriers do not restrict access to educational opportunities. Through scholarships, fee concessions, transparent admission procedures, and support for underrepresented groups, the University aims to create an inclusive academic environment where students from disadvantaged and marginalized communities can participate and progress.

Future-Oriented Initiatives for Reduced Inequalities

We at TMU aim to strengthen our contribution to Sustainable Development Goal 10 (SDG 10): Reduced Inequalities through inclusive education, equitable opportunities, accessibility, diversity, and community empowerment. The following initiatives outline the University's forward-looking approach to reducing social and economic disparities and fostering an inclusive environment for students, staff, and the wider community.

1. Strengthen financial assistance and scholarship programmes by expanding merit-based and need-based scholarships, fee concessions, and other financial support mechanisms for students from economically disadvantaged and marginalised backgrounds.

2. Enhance support for first-generation learners through dedicated mentorship, academic guidance, counselling, financial assistance, and student welfare initiatives to help them overcome educational and socio-economic barriers.

3. Strengthen institutional monitoring of underrepresented groups by regularly reviewing application, admission, and enrolment data to identify participation gaps and develop appropriate measures to improve representation.

4. Further strengthen the Equity, Diversity and Inclusion (EDI) framework through regular awareness programmes, sensitisation workshops, inclusive leadership training, and institutional practices that promote dignity, mutual respect, and equal participation.

5. Enhance opportunities for Persons with Disabilities (PwDs) by continuously improving barrier-free infrastructure, accessible classrooms, ramps, lifts, accessible washrooms, assistive technologies, and digital accessibility across the campus.

6. Strengthen disability support services through accessible help desks, academic assistance, counselling, individual support mechanisms, and appropriate accommodation facilities to promote independent participation in university life.
