The University

It is a privilege to present the Nineth Annual Report for the academic session 2016-17 of the University. As is anticipated from an academic institution, Teerthanker Mahaveer University is performing well and maintaining its standard of excellence as a provider of top quality education.

The Teerthanker Mahaveer University, established by an 'Act' (No. 30) of 2008 of the Government of Uttar Pradesh, and approved by the University Grants Commission (UGC), since inception in 2008, vide letter No. F. 9-31/2008(CPP-1) dated October, 2008.

The University stands committed to the ideals of Lord Mahaveer - Right Philosophy, Right Knowledge, and Right Conduct - in all spheres of activity and aspires to be recognized as the ultimate destination for world-class education.

The multi-disciplinary University offers career oriented courses at all levels i.e. UG, PG and Doctoral degrees across diverse streams,namely, Medical, Dental, Pharmacy, Nursing, Paramedical Sciences, Physiotherapy, Hospital Administration, Physical Education, Engineering,Architecture, Polytechnic, Law, Journalism, Fine Arts, Language Studies, Jain Studies, Women Studies, Disability Studies, Directorate of Distance Education and Agriculture to meet rising aspirations of the youth. Our new strategic plan will ensure we continue improving in terms of education delivery and the flexibility of the degrees that we offer, and offering places to students from a wider diversity of backgrounds.

About the Founders

Chancellor Shri Suresh Jain along with Group Vice Chairman Shri Manish Jain initiated the mammoth job of setting up of a world class University and the duo is incessantly engaged in the strategic planning to create an environment for providing not only quality education but also value added courses along with excellent communication and skills for better employment and entrepreneurship avenues enabling its students to find a meaningful place in the society.

Vision, Mission & Focus Areas

VISION

To be internationally recognized as a premier institution of excellence providing quality education, research opportunities, and consultancy services to the global society.

MISSION

Our endeavour is to impart knowledge and develop critical skills necessary to make the students succeed both in professional and personal life by promoting learning supported by world-class faculty, infrastructure, technology, curricula, collaborative teaching and research which is at par with premier institutions in India and abroad.

Principles and Values

The University stands committed to the ideals of Lord Mahaveer i.e. Right Philosophy, Right Knowledge, and Right Conduct.

These are followed in letter and spirit in planning and implementation of its programs and policies. The observances of these ideals are helping us in developing the manpower having a modern outlook towards the problems and their solutions and have foundation based on ideals given by Lord Mahaveer.

Converting Vision into Reality

The vision and mission are transformed in to reality by identifying the following focus areas:

Research & Extension

Research and consultancy are the priority areas for the University as it is an integral part of the teaching-learning process. The University is committed to forging tie ups and collaborations with national and internationalinstitutions for teaching, research and exchange of faculty and students to enhance its research profile and standards.

The University provides:

- Incentives to the faculty to carryout research and publications.
- Academic leave for participation in seminar/conference/workshop.
- Access to online journals through EBSCO.
- Statistical software: SPSS, Advanced Regression Analysis, Metlab, Neural Network.

In-house Publication of Research Journals:

- View Point, An International Journal of Management and Technology by College of Management & Computer Applications ISSN: 2229-3825
- S & T Review, An International Journal of Science & Technology by College of Engineering, ISSN: 2231 -5160
- Pharmacoarena, An International Journal of Pharmaceutical Science by College of Pharmacy, ISSN: 2278-1544
- TMU Journal of Dentistry (ISSN; 2231-6175) from Dental College.
- Acta Medica (p-ISSN: 2349-0578 / e-ISSN: 2349-0896) from Medical College is indexed in Index Medicus.

IT Resources

The University is adequately equipped with computer systems. Each college has dedicated computer lab(s) equipped with general as well as domain specific software for quality teaching and research.

MICROSOFT ERP installed to automate various administrative processes of the university. The University is proud to be a part of the National Knowledge Network (NKN), an initiative of the Department of Science and Technology and Ministry of Human Resource Development, Government of India, which connects universities of the country through high speed internet to share knowledge, learningexperiences and academic resources.
Additionally, use of Skype and other technology helps eliminate distances and dissolve boundaries, with eminent experts available to interact with students and faculty, allowing for a free flow of knowledge.

The Language Labs

4 State-of-the-art language labs with 240 computer terminals equipped with hi-tech software, to help develop basic, intermediate and business level language skills. In addition, these labs have personality development cabins and group discussion rooms for students to interact with their peer groups, for discussions and debate, allowing them to grow holistically.

Medical College & Research Centre

The college has been established with the permission of Ministry of Health & Family Welfare, Govt. of India after inspection by the Medical Council of India in 2008 with an admission intake of 100 students per year. Subsequently more batches of 100 students each have been admitted in the college after necessary approval by Govt. of India on the recommendation of Medical Council of India, in the year 2009-10, 2010-11, 2011-12, 2012-13, 2013-14. But now the numbers of students have been increased from 100 to 150 by Medical Council of India from the year 2014-15. After increased MBBS seats there are three batches admitted in the year 2014-15, 2015-16 & 2016-17. The college has been attracting students from all over India. During short span of 6 years, the hospital has developed into multispecialty hospital. In addition to this, there is a casualty section & intensive care units for various subspecialties like ICCU, ICU, RICU & NICU as well as burn treatment unit. There are facilities for endoscopic studies and surgeries in the department of General Surgery, Echocardiography & TMT in the department of Medicine, and Fluoroscopy in the department of Radiology. The hospital has got well equipped Central Laboratory for investigations required for out-patients as well as indoor patients catering for variety of Pathological, Clinical Biochemistry & Microbiological investigations. The Radiology department of the hospital has facilities for Ultrasound & Color Doppler studies, sophisticated Digital X-rays with image intensifier & CAT scan facilities. The hospital has got 8 well equipped modern Operation Theaters for General Surgery, Orthopedics, Ophthalmology, ENT and Obstetrics & Gynecology services besides one for emergency work in the casualty section.

Goals & Objectives

- To impart Quality Medical Education and develop trained healthcare professionals to meet the ever rising requirement of the society.
- To provide modern healthcare services including critical and emergency care to the population at large.

Major Strengths

- Excellent physical infrastructure.
- Well equipped laboratories with sophisticated machines and instruments.
- Qualified and experienced faculty.
- Multi specialty hospital.
- 550 seats air conditioned auditorium with modern AV facilities

Dental College & Research Centre

Teerthanker Mahaveer Dental College and Research Centre, established in the year 2005, competes with the top-notch accredited dental institutes of India and is actively involved in quality teaching and research practices in oral health care. The college is equipped with modern & majestic infrastructure, state of the art dental clinical setup, well established as well as simulated preclinical and research labs.

The college encourages all its young researchers for publication of their papers, participation in national as well as international seminars, symposiums, conferences and workshops, which enriches them with latest knowledge and techniques in the field of dental science. Moreover, extracurricular activities, sports and cultural festivals for students are conducted throughout the year, which in turn helps to nourish their talent and personality.

B. Sc. (H) Physics & M. Sc. Physics	48	CSIR-National Physical Laboratory (NPL), New Delhi	To get acquaint with conducting a study tour and understanding the scientific environment around CSIR-National Physical Laboratory (NPL) New Delhi. To see some live activities such as effect of magnet on synthesized Magnetic Nanoparticles, OLEDs and thin films with designing steps as screen for TV, computer and mobile	Mr. M.C. Singh showed NPL Film show in TEC lecture Hall. Further, we moved towards Mass Standards Lab where Mr. Anil Kumar and Mr. Gautam Mandal gave informations about NP 57 and NMI standards. After this, we moved lab of Time and frequency Standards lab, where Dr. Poonam Arora gave wonderful information Sundials to Atomic clocks and explained how they maintained Indian Standard Time (IST). After this, we moved to EPR and magnetic fluids lab of Dr. R.P. Pant and Dr. G. Baseed with Ph.D. Scholar showed very interesting phenomenon about Effect of Magnet on Synthesized Magnetic Nanoparticles and discussed EPR measurement. After EPR lab, we moved Centre for Organic Electronics of Dr. Ritu Srivastava and Dr. Asit Patra where we saw live-demo of Photoluminescence and also how to prepare ITO coated thin film using n- & p-type junctions through thermal evaporation and spin coating which will be used for TV, mobile and computer screen.	10/11/2017

College of Management

Teerthanker Mahaveer Institute of Management and Technology (TMIMT) is the seed that has grown into a big Banyan tree in the form of Teerthanker Mahaveer University. The college, established in 2001, since beginning, has been contributing to the development of management education and society, by fostering leadership, nurturing entrepreneurial talent and stimulating research. TMIMT, in partnership with industry, academic institutions, government and social sector, promotes sustainable businesses, fulfilling collective needs of various stakeholders and the society at large.

Goals & Objectives

- Provide instructions through contemporary curricular based on industry requirement.
- Undertake research in business and industry, and related disciplines.
- Collaborating and sharing of expertise with national and international organizations.
- Enhancing the quality of management education to achieve global competitiveness.
- Prepare entrepreneurs of high caliber.
- Produce socially responsible professionals.

Major Strengths

- Emphasis on industrial visits, case study method of learning, role plays, business news analysis, management and IT quizzes software development competitions, video conferencing.
- Communication Labs equipped with Hi-tech software consisting of lessons on both oral and written communication to train the students.
- Separate ambience meant for personality development of the students.
- Corporate Resource Centre giving various placement opportunities to the students.
- Various live projects for students to inculcate practical learning.

College of Computing Sciences & IT

Teerthanker Mahaveer College of Computing Sciences and Information Technology came into existence in year 2014. The college was established by the University with an aim of providing relevant, essential, upgraded education to the young aspirants in the field of Computer Science and Engineering, including Computer Applications.

In recent times and the years to come there will be increasing demand of skilled manpower in the domain of Computer Science and Engineering because of the 'Digital India' mission projected around the globe by Government of India. The College is the center for all Computer Science related programs run by the university.

Vision

To accomplish academic excellence in the field of computer science and engineering, providing quality education and research for the development of society and nation.

Mission

To cultivate, share, and apply knowledge in computer science and interdisciplinary areas as well to inculcate professional, moral, social and ethical values in students to cope with challenges of the modern world.

Major Strengths

- CCSIT has highly qualified faculty pool that is specialized in different areas of Computer Science.
- The College has world class infrastructure to provide all necessities to the students and the faculty. Spacious lecture halls, computer labs and seminar hall are very well equipped with all ultra-modern necessities to impart quality education.
- CCSIT responsibilities are divided evenly among the faculties. There exist various committees to fulfill the purpose.
- CCSIT organizes various events for the overall development of students that include conferences, seminars, and workshops each academic year. Along with this various short term courses that include CISCO Networking, Oracle WDP, Java Essentials, IBM and Microsoft IT Academy being executed during summers every year.
- Students get the facility to refer to thousands of books from the college library for the subjects they are studying. Apart from this library has rich collection of international and national Journals, Magazines, Newspapers and various educational CDs/VCDs.
- CCSIT also uses academic e-Content for teaching and learning resources.
- CCSIT also organizes two international conferences sponsored by IEEE and Springer.

College of Education

The Faculty of Education was established in year 2003 as a department in TMIMT. It provides singular service to the cause of education and contributes to nation building through teacher training programs.

Goals & Objectives

Major goal of the college is the extension of learning philosophy and the creation of a body of knowledge that may serve the society at large as a source and repository of inspiration in all spheres of teacher education.

Major Strengths

The courses are designed in such a manner so as to help the students to broaden their horizon along with problem solving abilities, managerial skills with scientific frame of mind it is being enriched through interdisciplinary approach.

A deep insight is given into the methodology of teaching. The pupil teachers are trained in such a manner that after completing their course they become well accomplished and effective teachers as well as role models both for students and society at large and to work for growth and development of the nation.

College of Physiotherapy

Keeping in view the increasing demand of physiotherapy services during and post treatment phase in the medical sector, the College of Physiotherapy was established in the year 2010 to train professionals who can render these services.

Goals & Objectives

In our quest to make the university a destination for world-class education, following six-fold priority areas have been identified for its Teaching and Learning, Research, Consultancy Services, Social Relevance, Sports and Culture.

Major Strengths

The well established OPD gives our students varied exposure under the guidance of young and dynamic staff.
