Certificate Of Achievement

Session Chaired by Prof. R. K. Dwivedi in, 2018, 5th International Conference on Computing for Sustainable Global Development (INDIACom) at Bharti Vidya Peeth New Delhi

Guest of Honour in 2nd Tennis ball cricket tournament of 4 states (U.P, Jharkhand, Odisha, Tamil Nadu & Chandigarh).

Chief Guest and Keynote Speaker in College of Education, TMU Moradabad on the Occasion of Lohri.

-Message Board

I am heartily elated to know that the College of Computing Sciences and Information Technology, Teerthanker Mahaveer University, Moradabad, is going to publish the forthcoming issue of its quarterly magazine "Computing Vision".

I wish that the efforts of CCSIT in this regard will achieve its objectives through the demonstration of various facets of cultural, literary, sports, social and club activities. I am confident that the magazine would pave the way for holistic development of students stepping towards the responsible and accountable citizens of India.

I extend my whole hearted support to all the members of CCSIT for such an endeavour.

Shri Suresh Jain Hon'ble Chancellor

I am delighted to learn that the College of Computing Sciences and Information Technology, Teerthanker Mahaveer University, Moradabad, is going to publish the next volume of its quarterly magazine "Computing Vision". Learning how to read is vital for the success of students.

A magazine offers sufficient opportunities in the fast-paced world by inculcating literary interest in students. It holds the readers' attention, sparking imagination, and enhances read in g kills.

I extend my heartiest wishes for the success of the forthcoming issue of the m a g a z i n e .

Shri Manish Jain Group Vice Chancellor

I feel immense pleasure to learn that the College of Computing Sciences and Information Technology, TMU, Moradabad, is going to publish the next issue of its quarterly magazine "Computing Vision".

"Computing Vision". A college magazine is the byproduct of the collective effort and team work of faculty members, staff and students for sustainable development of the intellectual imparting sound knowledge, morals and ethical values to the persons who go through it. It also paves the way for innovation and creation to stimulate students by inspiring fresh ideas with different perspectives, creative thinking and strong conviction to achieve true success. I hope that the magazine would reflect the commitment and effort of students and staff of CCSIT...

Prof. Rakesh Kumar Mudgal Vice Chancellor

My dear students who are passing out in the academic session 2018-19. You are indeed blessed to have an opportunity to get education at one of the best Institution of Uttar Prdesh, which has been nurtured and benedicted by the great Jain philosophy of 'Non-Violence' and having celestial vision. The College of CCSIT, TMU Moradabad, has the privilege of having a healthy, harmonious ambience and rich values which have played pivotal role in shaping the future of innumerable students. Our mission is to transform students into rational thinkers, competent workers, law abiding citizens and spiritually enlightened individuals. This is my firm belief that the rich values and traditions imbibed here would carry you to greater. heights.

Prof. Rakesh Kumar Dwivedi Principal

Impulse 2KI8

"Impulse 2018"is a technical event conducted by Amrapali Institute of Technology Haldwani on 17 th March 2018, is about technical language in which jumbled form of code is given. The participants are provided with a jumbled code and output. They have to arrange the code in proper sequence and exactly match with the given output.

Institute received magnificent number of participations in this event. This event enhances the student's basic programming language concepts. Total **21 University over India** participated in the event. And from College of Computing Sciences and Information technology, Teerthanker Mahaveer University, Moradabad total 5 students participated in this event and they win a 1st position in Quiz compition and student name is Akshay kumar sidhu, pratiksha kaushik, shivam kumar, nidhi and aswani had participated in this event. Participation in this event was commendable and from CCSIT, TMU Managed by Dr. Rajeev Kumar, Associate Professor, CCSIT, TMU Moradabad

An Expert Serrion on Machine Learning

College of Computing Sciences & Information Technology, TMU has organized a expert session on machine learning. The resource person for the session was Mr. Ayush Mudgal (Columbia University, New York, USA). The major Application areas of Machine Learning is Speech Recognition, Vision Applications, Object Detection and Object Tracking. Our P.G, PH.D. students along with the faculty have joined the session.

"Save Electricity" Campaign

The wastage of power should be stopped. If we become careless about that there will be regular and prolonged load-shedding. If we keep the lights on during daytime, we will be constrained to be in darkness at night.

Our health, education, agriculture, engineering and other technical activities all are now conditioned by electricity.

This Campaign was organized under "National Social Scheme" on dated 22/03/2018 in Teerthankar Mahaveer University. The purpose of this drive to support "Conservation of Energy" in this drive students of "CCSIT" have been participated in other colleges of TMU.

Our small attempts to save electricity will be helpful. At home, we should be very careful regarding the electric apparatus used by us. Fans, lights, air-conditioners, refrigerators, water heaters should be used properly. Television sets should not be on when we do not need them. We should use lights and bulbs that consume less power.

National Science Day

The National Science Day was celebrated on 28 Feb, 2018 in CCSIT, Teerthanker Mahaveer University campus in the memory of the invention of Raman Effect by Sir C V Raman. Dr. Parag Agarwal, Research Cell Coordinator hold the responsibility of organizing the event. Prof. P.D. Kaushik, Pro-V.C., TMU were invited as chief guest on this occasion. Prof. R. K. Dwivedi, Principal, CCSIT welcomed Prof. Kaushik by giving him a bouquet. Prof. R. K. Dwivedi, Prof. P.D. Kaushik and Dr. Parag Agarwal started the event with godess Saraswati Pujan. Dr. Parag Agarwal told about the discoveries made by Sir. C.V. Raman and how he converted a journey of sea in to a great invention. His invention came out as the name Raman Effect in the scientific world. Prof. Dwivedi threw light on the cloud service model and told how the information technology is simplifying the human life. Prof. P. D. kaushik ended the program with his words on our rich scientific heritage that is thousand years old. He said that the human can progress only by the progress of science. We should keep on involving in research for the social and economical development of the world. At the end of this symposium, Prof. Dwivedi gifted a momento to Prof. P. D. kaushik as a token of respect.

National Youth Pay

"Yuya Diwas"

College of Computing Sciences & Information Technology, TMU Moradabad has celebrated National Youth Day 2018 - Yuva Diwas (Swami Vivekananda Birthday today). This is a matter of great importance of spreading Swami Vivekananda's ideas and ideals among the youth in our country today. The ideology of Swami Ji has personified the eternal energy of the youth and their restless quest for truth. It is entirely fitting that the Government of India has declared 12th January, the birthday of Swami Vivekananda, as National Youth Day.

Women Empowerment cell CCSIT, TMU celebrated International Women's Day amidst great zeal and zest on 8th March 2018. The function was presided over by Hon'ble Vice Chancellor Prof. R. K Mudgal. The other dignitaries present were Dr. Ranjana Mohan, Dr. Seema Awasthi, Dr. Kalpana Jain, Dr. Shyamalli Dutta and Dr. Vaishali Dhingra.

The program commenced with the ceremonial lighting of the lamp. The inaugural speech was delivered by Miss Indrajeet Jheetay followed by melodious songs and enthralling dances performed by the female faculty of CCSIT, which made the whole environment radiant and vibrant.

The Chief Guest in his speech acknowledged the role of women in society and stressed on the safety and dignity of women. Prof. (Dr) R. K. Dwivedi, Principal CCSIT, spoke about the contribution of women in social, political and economic fields and their empowerment. The programme culminated with distribution of mementos. The vote of thanks was presented by Dr. Shahana Makhdoom..

hubharambh-2k18

Fresher Party of B.Sc.(Hons.)-Computer Science], B.Sc(H)CS 3rd and 5th sem students and newcomers of the B.Sc(H)CS 1st year students are mingled with each other at the fresher's welcome party was held on 22nd March 2018. The purpose of this event is that every "fresher" of CCSIT feels like an integral part of the CCSIT family and readies to take on challenge of the year ahead. Jovial smiles and high spirits marked the welcome party for the students. The party organized in Lecture Theater-2 on Thursday, 22nd March 2018, manifested youth and enthusiasm at its full flow. Principal, Dr. Rakesh K. Dwivedi inaugurated the event with the lighting of the ceremonial lamp along with the Prof. Rakesh K. Mudgal Vice Chancellor of the university.

With pulsating ambience, flashing lights and foot tapping music, the party began with a blast. As the mercury began to rise, the dance floor was left open for some unbridled energy. Joy and happiness could be seen in students of each and every faces. It was a fun filled event at which the fresher's got an opportunity not only to showcase their talents and but also to interact with the seniors.

Senior students got selected in seven different c a t e g o r i e s 1. Programming Expert :- Rajat Singhal, 2. Most Helpful person :- Shubham Jain, Best Manners Award : Priyanshi Jain, Perfect Attendance: Sonika, Most Creative :- Ben, Ms. Personality :- Ashi Aggarwal and Akanksha Sharma, Mr. Personality: Vasudev Shekhavat.

Soon after that man performance were given by the seniors, the program kick-started with a ramp walks in which many contestants vied for the Mr. and Miss Fresher 2017-18 title. The contest included several rounds involving singing, dancing, talent display, dress parade and the like, which wove the magic of fun and joy in to the event.

At the end of the very enjoyable competition, Ms. Dishita Kaushik was crowned as "Miss Fresher 2017-18" and Mr. Shivendra Kumar Sharma was selected as "Mr. Fresher 2017-18". In this event HoD Dr. Ashendra Kumar Saxena, B.Sc(H)CS Course cooridator Dr. Danish Ather, B.Sc(H)CS 1st Year, year incharge Mr.Abhilash Kumar, Miss. Namrata Kashyap, B.Sc(H)CS 2nd yr and 3rd yr Incharge, Dr. Sandeep Verma and Mr.Shobhit, Proctorial Board Head Mr. Shambhu Bhardwaj gave their prime time to make successful to this event.

The program concluded with the vote of thanks and finally with the national anthem, all the freshers including the senior's rocked the show and enjoyed the celebrations and all the Freshers thanked the principal, staff and seniors students for hosting such a nice program that they could cherish lifelong.

faculty Development Program on "Development of Animated web contents with Adobe flash"

A one week long faculty development Program was organized by Animation Team CCSIT, TMU from Jan 22, 2018 to Ján 27, 2018. In the inaugural session of FDP Prof R K Dwivedi (Principal CCSIT, TMU) and Mr. Pradeep Kumar Gupta (FDP coordinator) threw light on the need of knowledge and skill enhancement for the of growth of individual and society as well.

In various sessions of FDP topics on development of Interactive animated contents with Adobe Flash were covered by Ms. Sonali Vishnoi, Ms. Kanika Agarwal and Mr. Pradeep Kumar Gupta. Most of the faculties from CCSIT and some from other colleges of TMU participated in FDP. On the last day of FDP all participants received their certificate of participation by Prof. R K Dwivedi(Principal CCSIT), Dr A. K. Saxena (HoD, CCSIT) and Pradeep Kumar Gupta (Program Coordinator, B. Sc. Animation).

Collaboration with Inkers Technology Bangalore

Teerthanker Mahaveer University, Moradabad, (U.P.) has collaboration with Inkers Technology Bangalore, for automated Student attendance using pattern recognition mechanism. InkVision from Inkers Technology envisages a solution where fully automated systems are capable of recording and monitoring attendance of students. Networked cameras in classrooms and labs will occasionally (multiple times during every class) take pictures and send them to the central server for processing. The central server will match the photos against the database and interface with the already existing ERP to update the presence/absence of pupils in all classrooms.

fDP on PHP

One week FDP on Project development was held in the college regarding the use of PHP Technology. Many Thanks to Shri Rajendra Prasad Pandey Ji, Shri Deependra Rastogi Ji and Other Organizing Team Members. This case study based learning would certainly be helpful for our faculty members and Ph.D. scholars. The Industry based resource person Mrs. Rashmi Jain (from HCL Noida) and Shri Deepak Sharma(Tech. Lead Mobile Programming LLC) is also taking the sessions.

Spoots

Sports are an important constituent of education at TMU that helps to add vitality in life on campus and help the student develop important soft skills in terms of team spirit, sportsmanship and the ability to handle failure.

It was a grand and the most awaited event in the University calendar. Given the excellent and extensive sporting facilities created at the university campus, the event offered a bouquet of sporting events including field events like Cricket, Soccer, Kabaddi, 100 mtr, 200 mtr Tug of War & Shotput; indoor events like Badminton, Table tennis, Volleyball & Basketball.

Inter collegiate tournament started from 7th of February & ends on 20th February. In the tournament 70 CCSITians participated. Following prizes won by CCSIT in this.

Shot put

The Winner:-

S.No	o. Sport Name	Position	Player Name
1.	Basketball	First	Aakarshit Jain (Captain)
2.	Table Tennis	First	Sambhay Jain
3.	Cricket	Second	Sarover Saini (Captain)
4.	Football	Second	Ben (Captain)
5.	Badminton	Third	Shubham Bhandari (Captain)
6.	Tug of War	Third	Mukul Jain (Captain)
- 6			

The Meet was declared close and all gathered were dispersed with the expectations of yet another exciting, closely-contested Sports Meet the following year.

Alay Singh

"COLOURS OF JOY"

One of the major festivals of India, Holi is celebrated with greate enthusiasm and gaiety on the full moon day in the month of Phalgun which is the month of March as per the Gregorian calendar. Holi festival may be celebrated with various names and people of different states might be following different traditions. But, what makes Holi so unique and special is the spirit of it which remains the same throughout the country and even across the globe, wherever it is celebrated. As it is known by all that Holi is the only festival for which majority of the people eagerly waits for its arrival. On the auspicious occasion of Holi, Holi was celebrated at the college premises, on 24th Feburary 2018. The celebration started with the blessings of Maa Saraswati by the form of Lamp lightening and later on blessings were given by Hon'ble Pro Vice Chancellor Prof K.K Pande. Welcome speech was addressed by the student Volunteer Ms. Pratiksha Kaushik.

Cultural activities organized by the committee includes Singing and dancing and various Stalls like Food and Games Stalls like balloon shooter, fruit cream, Shakes stalls, Lassi stall were maintained and organized by the students. DJ, Song dedication stalls were the heart of the event.

The function was presided by the Cultural Committee head Dr. Megha Sharma and the support of other committee members was commendable and also support of proctorial board and other teaching and non-teaching staff members for the laudable efforts in organizing this mega event.

Student Volunteers and anchors are vidushi, awinesh, abhinav saxena, ravi kant, Pratiksha Kaushik, Divyansh and other student volunteers, compeered the program.

At the Last, Blessings were given by the Chief guests to the Students, Faculties and College for their remarkable effort.

faculty Development Program

"PATTERN RECOGNITION & IMAGE ANALYSIS"

One week faculty development program on "Pattern Recognition and Image Analysis" on 16-20 March, 2018 was organized by College of Computing Sciences and Information technology, Teerthanker Mahaveer University, Moradabad in association of Electronics & ICT Academy, IIT Roorkee. Pattern recognition and image analysis has become inevitable for the growth and development of new and emerging scenarios of Computer Engineering Sciences. The goal of this faculty development program is to bring together researchers and faculty from various parts of college and to provide common platform to all academicians to exchange their ideas and expand their knowledge about the new technologies and applications of Engineering. Pattern recognition is core facet for all engineering disciplines. To uplift interest of academicians is to choose a prolific path of Engineering through a robust staircase of image analysis we have given this FDP as a remedy. Participants came across new breeds of computer science in engineering whilst they were acknowledged by Prof. Sanjeev Kumar, Department of Mathematics, IIT Roorkee and Prog Pratha Pratim Roy, Department of CSE, IIT Roorkee and coordinated by Dr. R. K. Dwivedi, Principal CCSIT, TMU and Dr. Rajeev Kumar, associate professor, CCSIT, TMU, Moradabad. Useful topics such as "Pattern recognition and Image analysis" were discussed. A horde of 40 participants made the FDP a grand success. We are sure that this FDP will benefit all participants and their corresponding institutes in one or other way. We give an assurance of providing such platforms & benefits in the coming years also.

4th Convocation

Glimpses of 4th Convocation of Teerthanker Mahaveer University, Moradabad (U.P.). Shri Ram Naik (Honáble Governer, U.P.) has graced the dais as a chief guest.

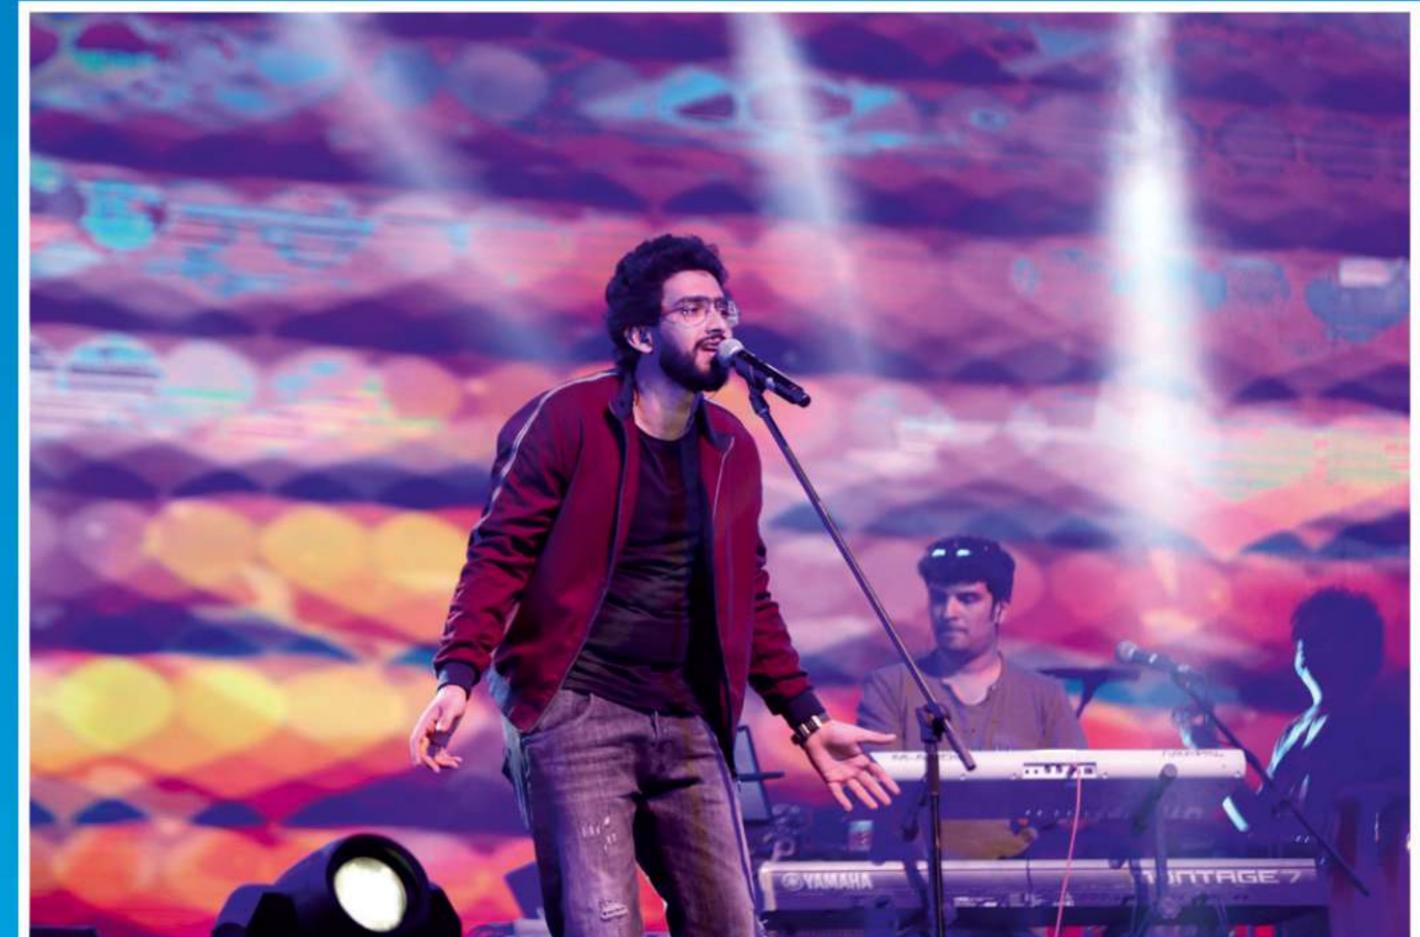

ROCKON Star Might

Annual University Gultural fest

Many many congratulations to all the performers of the show. With your efforts the College of Computing Sciences & Information Technology, TMU Moradabad has secured first position in Annual University Cultural fest. Many Many congratulations to the cultural team for motivating, nurturing and supervising our students to achieve this. My special thanks and congratulatory note to Madam Hina Hashmi, whose dedicated effort has reaped in the form of great success; wherein all CCSITians can feel proud.

Welcome to this new generation of our life, Where the world manipulates us beyond our sight.

Where people's mind runs differently, And children learn mature things early. Where people rely almost on technology, And choose to fight for their mistake rather than

Where technology is the master over mankind, And trustworthy people are hard to find. Where the world seems to lose its morality, And lies turn into truth in the eyes of humanity.

Where discipline and teaching lessons has no And taking video first, then to help and call for

We should be aware, this new era, we must Where cursing feels better than prayer.

Where drugs are the best medicine for humdrum, And suicide is the answer to any problem.

Where people will do anything for name and fame, And people sullied their own name without shame.

Where nobody believes in the existence of Almighty anymore, And alcohol, cigarettes are almost on all the doors.

Welcome to this new generation,
Where we need to struggle with this great

वो बातें वो याद है हम कभी ना भुला पाएंगे, वह तुम्हारी प्यारी सी मुस्कान हम कभी ना भुला पाएंगे।

> वो तुम्हारा हमसे रूठ ना हम कभी ना भुला पाएंगे, और रूठकर फिर भी बोलना हम कभी ना भुला पाएंगे।

तुम्हारा वो हमसे बिना बोले कुछ कह जाना, हम कभी ना भुला पाएंगे, तुम्हारे चेहरे की वो मासूमियत ,हम चाह कर भी ना भुला पाएंगे।

तुमने लाख ना चाहो हमें फिर भी हम तुम्हें टूट के चाहेंगे। हम कभी ना भुला पाएंगे,

इस जन्म में खुदा ने मौका नही दिया तो क्या हुआ, अगले सात जनमों में तुमसे रिश्ता रखने यह दिल फिर आएगा।

खुदा ने मरते हुए पूछा,तो यह दिल सिर्फ एक बार तुम्हें ही देखना चाहेगा।

अगर कहीं याद तुम्हें हमारी आए, तो याद कर लेना हम साया बनकर तुम्हारा साथ निभाएंगे।

इस जन्म में ना सही हम तुम्हें दूसरे जन्म में मौका देने जरूर आएंगे। तुम्हारी पसंद हम ना सही मगर हम तुम्हें बेइंतहा चाहेंगे।।।

और कभी वापस नहीं आएंगे। हम तुम्हें कभी ना भुला पाएंगे।

Conne

Be Yourelf Darling

So many thoughts,
So many dreams,
The things you want the most,
Are the ones that will never be.

All that sadness,
All that despair,
It's the one thing about which,
No-one cares.

You can try to hide, You can try to forget, But in the end, All you'll get is regret.

Let the rage burn,
Let the hunger consume you,
People are the only ones in life,
That will fool you.

Food for thought, Food for soul, In the world full of sorrows, You stand alone.

Every beginning has an ending, Every end is a new beginning, The world's round, Things come in full circles.

Every step you take, Every move you make, Karma, Will act behind it.

What the world wants from you,
What you want from the world,
Are two completely different things,
They'll never understand what you need.

Friendships are fake, Bonds are real, And that my friend, You can only feel.

They'll talk about themselves all the time,
That's why you are their 'best friend',
But if you try to be yourself in front of them,
They'll say that you've changed.

If they can't handle you at your worst,
Then they don't deserve to have
you at your best.
Be yourself, darling,
Don't care about the rest.

By:- Zeba Naaz B.Sc. (Hons.)CS 2nd year

Every Women:

To every **women** out there you got power to change things, you got power to take your decisions, you got power to make a difference, you got Power to fight against odds, you got strength to be a support for everyone, you just need to realise it.

You are compassionate, you are kind, you are water who saves life, you are someone who creates life, you are a garden full of flowers which fragrance all around, every good thing in this world is for you, just to identify it.

Likewise, you're water which can drawn **life**, you're storm which can destroy **negativity**, you're pistol always loaded with bullets, you're a sword, you're a nation full of soldiers but for those who defame you.

And above all you're home where everyone gets equal love and hell for those who try to break this home and you got ultimate power of saviour and distortion. You're a rainbow which adds colour to life.

Among all women, Mother is superwoman.

Takes cares of everyone without expecting anything in return, the most selfless person who only believes in giving..

The world is beautiful as they say,
The birds are chirping in the way...
The less you will cry,
The higher you will fly...
When u start doing things which are possible,
Definitely u can do the impossible...
The more positive u become,
The better will be the outcome...
Stop being in the company of calumny,
When the color of your dreams starts to tade,
Then u can change the plant brave made...
When positivity in u appears,
Comparison & Jealousy will surely disappears...
U can light up your own world,
By your great thoughts, deed & word...
There r many people to throw the stone,
But be the I who can break that stone...

Studet Conner

Main jab ghar se nikla tab ek hi sawal man main dola tha, Goonj raha tha har akshar jo maa ne mujhe bola tha, Wo pagal si aankhen bigoye aayi thi mujhe vida karne ko, Diya aashirwaad mere har sapne poore karne ko, Kaha ki beta jaao buss humko yaad tum rakhna , Or iss duniya main buss suraj sa chamkana, Teri roshni se hi beta ab hum aage jee payenge, Or humko dharti par hi swarg k darshan ho jayenge, Rakhna dhyaan ki tujhpar ek aanch naa aane paaye, Or ek ungli bhi tujhpr naa

Tere baba, beta bahut parishram karte h, Apne khooon k paise ko wo tere liye rakhte h , Beta teri aaah par hum poori raat jage hai, Tujhe garmi dene k liye hum diye se jale hai, Par main pagli naa jaane kyun tujhse ye sab bol rhi hu, Tu to mera laal h main kaise bhool rahi hoo, Ab hum thak gaye hai beta humeim aaram dila do Or ap<mark>ne</mark> baba ko samman dila Jaggo tum ab main apni aankhen band karti hu, Apni jaan k tukde ko kaise alag

Main bhi tha chla jeetne is
zindagi se jung,
Mere maa baba the mere do
bhujang,
Bade hi sundar din ye hamare
beet rahe the,
Baba ki khoon ki kamayi ko
hum hawa m kheech rahe the,
Par aakhir kabtk humko is
duniya main naa aana tha,
Ab humko is duniya ko mooo
dikhana tha,
Humne ab tak naa kia tha koi
kaam mahaan,
Humne to busss awarai main hi

Humne to busss awargi main hi banayi thi apni pehchaan, Ab baba bhi kama- kamakr bilkul thak chuke the,

Your Today

Now let them!!

uthne paaye,

Just As Your Today Sucks, Doesn't Mean Tomorrow Will... (title) Today sucked! Cool. Everyone's had some sucky days, and we've all gotten past them somehow. It wouldn't be normal if you were happy all the time and nothing crappy ever happened, but that's not how life works, unfortunately.

Life is made up of a mix of ever-changing circumstances that balance each other out.

That means you have boring moments that make the fun ones seem even more memorable, times full of loneliness to make those full of love even lovelier, and there are awful moments to make great days even greater. But, somehow, some people have decided that one bad day, or a string of bad days means that life just completely sucks in general. Which it totally doesn't!

We must stop defining our days based on our current feelings. It only takes a moment for things to change—one good nights' sleep, one laugh, whatever. Life and the emotions you feel during it are fleeting and ever-changing. Wallowing in what's gone wrong is just going to suck you in deeper. It'll tear you apart. So don't let it get you down. You will never know what's around the corner if you don't open your mind to it. Put yourself in a positive state of mind and your rainy days will start to seem brighter. It doesn't mean every day will seem like it's straight out of a fairy tale written just for you, but it means they'll be just a little bit better than before.

So stop letting yourself fall into darkness; turn on the light that is your life and walk around carrying hope on your shoulder instead of leaving it at home to gather dust in your closet.

Today sucked. Once again, that's fine. It just means you're one of us, A HUMAN. It also means there's room for days to get better.
