The initial documents have been submitted and Self-Study Report (SSR) is currently under review at the Central level.	Final Draft has been submitted for review (at Central Level). Presentation is ready. Other preparations such as infrastructure etc. are being done.

24.8	Any other matter with the permission of the Chair.	In view of the upcoming NAAC Cycle-3, it was further informed that the NAAC Navion Module is ready for data submission, and therefore, certain College-level metrics currently open must be updated on priority. It was discussed that faculty members should be encouraged to develop e-content related to their respective disciplines to strengthen digital learning resources. The committee also resolved that all Colleges should organize Faculty Development Programmes (FDPs) with a minimum duration of five days (30 hours) to enhance the professional competencies of faculty members. Further, it was suggested that the Research & Development Cell shall organize a Capacity Building Programme on Research Methodology and Research Proposal Writing for groups comprising 100-250 faculty members, with the objective of improving the institution's research output and quality of research activities. It was decided to conduct a biannual audit of Ancillary Departments to ensure systematic monitoring and quality enhancement of departmental functioning. The committee resolved that the audit of the Ancillary Departments shall be conducted between 15th to 30th June 2026. It was further discussed that the checklist points for the conduct of the audit would initially be prepared and circulated by IQAC to all departments for obtaining their suggestions and feedback. After detailed discussion and incorporation of the suggestions received from the Heads of the Ancillary Departments, the final checklist shall be shared by IQAC with all concerned departments.	• The Deans/Principals has been requested to update the pending NAAC Navision metrics on priority, and the data compilation and validation process is currently underway. • Faculty members have been encouraged to develop discipline-specific e-content, and Colleges have been advised to organize Faculty Development Programmes (FDPs) of a minimum five-day (30-hour) duration. • The Research & Development Cell has been informed to organize a Capacity Building Programme on Research Methodology and Research Proposal Writing. • The biannual audit of Ancillary Departments has been initiated. The audit checklists have been finalized and circulated to all concerned departments through email to facilitate advance preparation.
