Subject: Approval letter for enlisting and rolling out NEN-Wadhvani Entrepreneur's (WE) NextGen Program.

Dear Rajeev Ji,

I, Dr. Aditya Sharma Registrar of Teerthanker Mahaveer University is glad to inform you that we have approved the teaching and learning of the NextGen courses (Ignite) on our campuses for the academic year 2024-25 to the students of Management, Computers, Law, Agriculture, Education, Pharmacy of the Teerthanker Mahaveer University. We have decided that the NextGen Ignite course will be credited with 40 hours (100 Marks) in the semester/batch. Initially we will start with one batch of 60 students from different programmes as an additional course.

We appreciate that through customized learning programs the objective of the courses is to empower students with an entrepreneurial mindset and business skills, support aspiring entrepreneurs with validated ideas to start meaningful ventures, and build institutional capacity to run world-class entrepreneur education programs. This would help the students in securing superior job prospects and long-term entrepreneurship.

To support NEN's endeavour, Teerthanker Mahaveer University intends to provide all reasonable support by accepting and making all reasonable efforts to adhere to the Roles and Responsibilities decided mutually.

Additionally, there are certain expectations from Teerthanker Mahaveer University's faculty teaching assistants who will be delegated with the responsibility of disseminating supporting the delivery of the NextGen courses' teaching to Teerthanker Mahaveer University's students. We realize that dissemination of courses should be structured around certain factors that have to be followed by Teerthanker Mahaveer University's faculty Teaching Assistants. Such aspects have been laid out in a Letter of Undertaking that will be shared with the faculty after he/she has completed the training.

In conclusion, we fully support the initiative, and hence please treat this letter as an intention for entering into a partnership to initiate the aforementioned engagement. We sincerely hope that this relationship will be beneficial to both NEN and Teerthanker Mahaveer University in achieving their aims and objectives.
