Between

**TEERTHANKER MAHAVEER UNIVERSITY, MORADABAD,
COLLEGE OF ALLIED AND HEALTHCARE SCIENCES,
(OPTOMETRY)**

And

**SILVR LINE LABORATORIES
DELHI, INDIA**

Brief Overview:

Introduction of TMU for MOU

Teerthanker Mahaveer University (TMU), Moradabad is State Private University established by Act No. 30 of 2008 of the Government of Uttar Pradesh and has been duly approved by University Grants Commission under Section 2f of UGC Act, 1956, situated at Delhi Road, NH-9 Moradabad-244001(U.P) (hereinafter referred as TMU) which term or expression, unless repugnant to the context thereof, shall mean and include its successor(s) assignee(s) through its duly authorized representative, Dean – Academics, Teerthanker Mahaveer University, Moradabad (U.P).

The University is accredited with NAAC A Grade and has to its credit 12B status from UGC. The multi-disciplinary University offers career- oriented programmes at all levels i.e. Diploma, UG, PG and Doctoral degrees across diverse streams namely, Medical, Dental, Pharmacy, Nursing, Paramedical Sciences, Physiotherapy, Physical Education, Management, Engineering, Law, Fine Arts, Jain Studies, and Agriculture to meet rising aspirations of the youth and are approved by the concerned regulatory and statutory bodies.

Sprawling across a vast campus of 140 acres, the University is envisioned to be internationally recognized as a premier institution of excellence, providing quality education, research, and consultancy services to the global society.

And

The Silver Line Laboratories India is an organization registered in India, with an office address at 90/52 Malviya Nagar, New Delhi, Delhi, India, 110017, represented herein by its **Director, Mr. Gagan Deep Sahani**, herein referred to as “**Silver Line Laboratories India**”.

Silver Line Laboratories India is committed to advancing healthcare services with a focus on vision care, diagnostic support, and clinical excellence. The organization aims to contribute towards education, training, research, and consultancy in the field of Optometry and allied health sciences, while promoting innovation and quality eye care services to meet the growing demands of the healthcare sector.

This Memorandum of Understanding (MoU) is made on 01.04.2026 between Teerthanker Mahaveer University, Moradabad and Silver Line Laboratories India. The original signed copy of this Memorandum of Understanding is retained by both parties separately. The parties wish to strengthen their collaborative relationship through this MoU for academic exchange, clinical training, research collaboration, and community-based eye care initiatives.

HENCE, in the spirit of promoting mutual cooperation in the areas of Optometry Education, Clinical Practice, Research, and Vision Care Services, both parties hereby agree as follows:

Memorandum of Understanding (MoU)

jointly and independently organized by both institutions so as to pursue activities related to scholars and academic programs keeping the interests and philosophies of the respective Institutions.

- To facilitate visits by students and staff to integrate enhancement, participation in research and completion of proposals and projects in the related field of Optometry while understanding the regulations of the agreeing institutions within the Areas of Cooperation. The expenses of the participating members from the visiting Institutions shall be decided mutually wherever feasible.
- To exchange staff through deputation on a full-time/part-time basis for a period mutually agreed upon for the purpose of implementation and fulfilling of joint tasks, proposals, and projects. Staff members on such deputation shall be deemed to be on duty with the parent organization.
- To co-supervise in the thesis/dissertation and research of students wherever required as per the provisions of *Teerthanker Mahaveer University* policy.
- For research collaboration which shall involve writing collaborative research projects for funding and consultancy works. Research collaboration may be a part of the publication authorship group.
- To share infrastructures and other facilities required for academic and research purposes.
- Any other areas which come up in future and agreed mutually for common interest.

IV. Finance

Neither institution shall incur any financial obligation under this agreement. Applications for financial support towards the co-operation and individual activities planned under this agreement will be transparent and undertaken with mutual consent. Other sources of finances raised to support these joint projects can be pursued with the knowledge of the other through intimation in writing.

V. Responsibility or Implication

Activities to be organized under this agreement will be the responsibility of the Heads of both institutions or of persons designated by them. National regulations and customs shall be mutually respected.

VI. Terms of MoU (Responsibility)

Memorandum of Understanding (MoU)

Signature

- Both institutions shall jointly identify the areas of training and research, where mutual cooperation is sought.
- Both institutions shall exchange their students, scholars, experts, faculties, and trainers as per the programme arranged by either institution.
- In the event of jointly organized programmes, both institutions shall have to decide mutually about the availabilities of conveyance, lodging, boarding and other expenses, etc. well in advance.
- The institution that invites the experts for its academic purpose shall recognize the services with a due honorarium and local hospitalities.
- Both institutions shall demonstrate the synergy of efforts as a team for smooth conduct of courses or programmes etc., and ensure direct interface with one another without involving external agencies or specialists.
- Both institutions shall take all reasonable steps to ensure the successful completion of the collaboration and co-operate with each other in duly carrying out the obligations agreed upon.
- All information, optometry reports, course material, plan, discussion, strategy, or any material, disclosed under the MoU shall be deemed to be confidential and shall be marked accordingly. Any information, course material, or like in the public domain shall be marked accordingly. Any information, course material, or like in the public domain shall not be part of this commitment.
- Any confidential information received by either institution, by virtue of this agreement shall be maintained in strict confidence and trust and shall be used for the agreed purpose under this MoU only.
- It is an obligation of all the stakeholders to observe rules and regulations of the respective institutions while visiting their premises.
