**Subject:** Collaboration for carrying out animal studies

Dear Prof. Verma

I learnt about you from your scientific contribution in the field of "Hair-care formulations, Skin Cosmetics, Isolation of natural polymers, Drug delivery". Currently my group is working on oral therapeutics for the treatment of infectious diseases. I seek a possibility of collaboration for carrying out in vivo toxicity, biodistribution and PK / PD studies. The expenses related to purchase of animals and consumables will be met from our project.

Appropriate acknowledgement and credits of the used facilities in scientific publications and presentations will be given.

Sincerely,

Dr. Shyam Lal M
