This WORK ORDER is made and placed at TEERTHANKER MAHAVEER UNIVERSITY(TMU), MORADABAD on this the 11th Day of September, 2020.

As proposed, ASPIRINGMINDS will conduct **PRE-EMPLOYMENT SKILLS ASSESSMENT PROGRAM** for students of final and Pre final year.

SCOPE OF WORK

The scope of this Work Order is **valid for final and Pre final year** students **in the University** and will cover the following program conducted by ASPRINGMINDS:

PRE-EMPLOYMENT SKILL ASSESSMENT PROGRAM

1. The objectives of the PRE-EMPLOYMENT SKILL ASSESSMENT PROGRAM will be to:

- Determine Employment Potential of the candidate related to HR & Generic skill area
- Benchmark the candidate in terms of Industry specific recruitment standards
- Provide Psychometric-based behavioral attributes profiling and mapping
- Expose the candidate to a real life complete recruitment process used by companies in terms of fresher or campus recruitment.

2. Deliverables:

- **Feedback & Diagnostic Report**: - Every assessed student will get a feedback report reflecting his/her performance in AMCAT. The report will highlight their strengths and employability across various sectors.
- **AMPI Report: -** Aspiring Minds Personality Inventory is based on FFM: Five Factor Model. FFM is the widely accepted model for personality assessment.
- **Campus Performance Report**: - Aspiring Minds has prepared a unique report for Management that gives an in-depth analysis of the college performance based on the test. The report is highly useful for the management as a tool to further improve the educational system through the results shared in the report.
- **Automata Assessment:** Automata is world's most advanced and only programming assessment that uses machine learning for grading programs. An automaton is used extensively by the IT companies and SMEs to find the most appropriate software engineer for a position.
- **Write X:** Write X helps you in assessing the overall quality of a candidate's written sample. The sample could be an essay that the candidate has been asked to write on and automatically grades him or her on the quality of the write up. Write X also takes into consideration, aspects like what is the candidate's view on the topic offered to him or her, how does he or she organize his or her flow of thoughts and more.
- Score card of the students shall be shared with various recruiters.
