In reference to above, on the basis of facts stated in the report of CRC/DRC dated ..... and my personal observation, the candidate is **Allowed/Not Allowed** to make pre thesis submission presentation of his/her research work. The schedule of the presentation is fixed as given below:

**Date:** .....  
**Time:** .....  
**Venue:** .....

The research co-ordinator is required to send a written communication to the research scholar as well as the research supervisor(s) about the schedule of presentation. The scholar should also be provided with 'GENERAL GUIDELINES FOR PRE THESIS SUBMISSION PRESENTATION' alongwith the schedule of presentation. It is also desirable to ascertain in advance whether the candidate shall need some special arrangement for presentation like some specific equipment/instrument, special facility etc. If so, the research co-ordinator should do the needful to arrange for the same.
