The following is the course module designed for the B.Ed. program:

**Core Courses (CC):** Core courses of B.Ed. program will provide a holistic approach to teacher education, giving students an overview of the field, a basis to build and specialize upon. These core courses are the strong foundation to establish teaching-learning knowledge in the field of education. The core courses will provide more practical based knowledge and collaborative learning. The core courses will focus on aspects of social and emotional development, self and identity, and cognition and learning.

We offer core courses in semester I, II & IV during the B.Ed. program (four in Semester-I, two in Semester-II and three in Semester-IV).
