B. Choice Based Credit System (CBCS)

Choice Based Credit System is a versatile and flexible option for each student to achieve his/her target number of credits as specified by the INC and adopted by our university.

The following is the course Module Designed for M. Sc Nursing Programme

Core Courses (CC): Core Courses of M. Sc Nursing Programme will provide the graduates able to Utilize/apply the concepts, theories and principles of nursing science and leadership qualities and function effectively as nurse educator and manager. Post graduates will Demonstrate the ability to plan and effect change in nursing practice and in the health care delivery system. Establish collaborative relationship with members of other disciplines. These courses offered in 1st and 2nd Year during the M. Sc Nursing Programme. There will be total 43 credits.

Discipline Specific Elective Courses: Discipline Specific Elective Courses includes five nursing specialty courses. Medical Surgical Nursing Course has seven sub-specialty subjects out of which students are expected to chose one sub specialty subject in second year M. Sc Nursing Programme. These courses will Demonstrate advance competence in practice of nursing in each specialty and also helps the student to Demonstrate interest in continued learning for personal and professional advancement. These courses offered in 1st and 2nd Year during the M. Sc Nursing Programme. There will be total 16 credits.

Value Added Course (VAC): Value Added Audit Course is a non- credit course which is basically meant to enhance general ability of students in areas like soft skills, quantitative aptitude and reasoning ability - required for the overall development of a student and at the same time crucial for industry/corporate demands and requirements. The student possessing these skills will definitely develop acumen to perform well during the recruitment process of any premier organization and will have the desired confidence to face the interview. Moreover, these skills are also essential in day-to-day life of the corporate world. The aim is to nurture every student for making effective communication, developing aptitude and a general reasoning ability for a better performance, as desired in corporate world. There shall be one course each in 1st year & 2nd years and will carry no credit, however, it will be compulsory for every student to pass these courses with minimum 45% marks to be eligible for the certificate. These marks will not be included in the calculation of CGPI. Students have to specifically be registered in the specific course of the respective years.

Skill Enhancement Course (SEC): These are designed to assist students in developing expertise and in depth skill enhancement Course in the field of respective nursing specialty/ sub-specialty courses and Nursing Education. It should aim at developing students' critical thinking and analysis skills, competence in psychomotor, communication, and time management skills, and to increase self-confidence in their ability to perform as nurses. Skill Enhancement Course to allow nursing students in all the areas of specialty health care setting which helps the hands-on skills experience that is not possible to teach in a classroom setting. Skill Enhancement Course of total 24 credits.

Research Project Report (RPR): In addition to learning Research theory there will be Mandatory Partial Fulfillment of Individual Research project. Make the students to demonstrate skill in conducting nursing research, interpreting and utilizing the findings from health related research which will provide hands on experience in contrast to theory in Health Care settings. It will be assessed internal and the credits earned will be included for the calculations of the CGPA.
