Overall Analysis

On the basis of the feedback obtained on different parameters, it was analysed that 86% of alumni students stated that the curriculum prescribed for their degree during their term in the college was excellent. Further analysis of other parameters reveals that 89% state that the quality of education imparted in the college was excellent and 91% state that the course content delivery was excellent. On Innovative Teaching-Learning Methodologies on course curriculum, 88% stated that it was excellent in fulfilling their expectations. There was slight variation in the academic initiative taken by college to bridge the gap between industry and academia with 86% rating it as excellent, 11% as very good and 3% as good. The same was observed in rating new skills learnt in the due course of their study with 94% overall stating that it was either excellent or very good. In terms of relevance to their present job, 82% stated it was excellent and 18% stated that it was very good. A total of 93% stated that the supporting academic initiatives like Seminars, Workshops, Projects, Study Tours, etc. taken by the colleges to improve the competencies of a student are excellent and 84% as good for development activities organized by the college for their overall development. Overall, 94% stated that they felt motivated to pursue higher education because of the syllabus.

Feedback received from different alumni was specific in terms of new and emerging technologies and trends.

However, few notable suggestions received to enrich the syllabus from various colleges are as follows:

- Alumni of Fine Arts suggested a change in the content of the course BFA509 & BFA609.

Other than this the alumni have been found to be overall satisfied with the curriculum.
